### Defense Logistics Agency

#### Privacy Act of 1974; Computer Matching Program

**AGENCY:** Defense Manpower Data Center, Defense Logistics Agency, DoD.  
**ACTION:** Notice of a computer matching program.

**SUMMARY:** Subsection (e)(12) of the Privacy Act of 1974, as amended, (5 U.S.C. 552a) requires agencies to publish advance notice of any proposed or revised computer matching program by the matching agency for public comment. The DoD, as the matching agency under the Privacy Act, is hereby giving public notice of a computer matching program between the Armed Forces Retirement Home (AFRH) and DoD that certain records are being matched by computer. By verifying Federal payments to residents, the AFRH can accurately and fairly determine and fix the individual fees as required by law. A computer match will provide accurate benefit information on the residents.

**EFFECTIVE DATE:** This proposed action will become effective April 30, 1998, unless comments are received which would result in a contrary determination. Any public comment must be received before the effective date.

**ADDRESSES:** Any interested party may submit written comments to the Acting Director, Defense Privacy Office, 1941 Jefferson Davis Highway, Suite 920, Arlington, VA 22202-4502.

**FOR FURTHER INFORMATION CONTACT:** Mr. Vahan Moushegian, Jr. at telephone (703) 607-2943.

**SUPPLEMENTARY INFORMATION:** Pursuant to subsection (o) of the Privacy Act of 1974, as amended, (5 U.S.C. 552a), the DMDC and AFRH have concluded an agreement to conduct a computer matching program between the agencies. The purpose of the match is to exchange personal data between the agencies for verification of Federal payments to residents. The match will yield the benefit information on the residents so that AFRH can accurately and fairly determine and fix the individual fees,

from time to time, as required by law. Computer matching is the most efficient and effective manner to accomplish this task with the least amount of intrusion of personal privacy of the individuals concerned.

A copy of the computer matching agreement between AFRH and DMDC is available upon request to the public. Requests should be submitted to the address caption above or to the Chief, Management Information Systems, U. S. Soldiers' and Airmen's Home, 3700 North Capitol Street, NW, Washington, DC 20317-0002.

Set forth below is the notice of the establishment of a computer matching program required by paragraph 6.c. of the Office of Management and Budget Guidelines on computer matching published in the **Federal Register** on June 19, 1989 at 54 FR 25818.

The matching agreement, as required by 5 U.S.C. 552a(r) of the Privacy Act, and an advance copy of this notice was submitted on February 25, 1998, to the House Committee on Government Reform and Oversight, the Senate Committee on Governmental Affairs, and the Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget pursuant to paragraph 4d of Appendix I to OMB Circular No. A-130, 'Federal Agency Responsibilities for Maintaining Records about Individuals,' dated February 8, 1996 (61 FR 6435). The matching program is subject to review by OMB and Congress and shall not become effective until that review period has elapsed.

Dated: March 2, 1998.
