

the Type C medicated feeds of 75 to 125 percent of the labeled amount. The assay limits for the halofuginone Type A medicated articles of 90 to 115 percent of labeled amount in the approved NADA were not published at that time.

In the **Federal Register** of March 3, 1986 (51 FR 7382 at 7393), FDA added § 558.4 (21 CFR 558.4) providing for the regulation of medicated feed applications. In § 558.4, FDA incorrectly published the assay limits for Type A articles of 80 to 120 percent of the labeled amount. At this time, FDA is amending the assay limits for Type A medicated articles to reflect those levels in the approved application.

Accordingly, FDA is correcting § 558.4(d) to provide for an assay limit for halofuginone hydrobromide Type A medicated articles of 90 to 115 percent of the labeled amount instead of 80 to 120 percent.

List of Subjects in 21 CFR Part 558

Animal drugs, Animal feeds.

Therefore, under the Federal Food, Drug, and Cosmetic Act and under the authority delegated to the Commissioner of Food and Drugs and redelegated to the Center for Veterinary Medicine, 21 CFR part 558 is amended as follows:

PART 558—NEW ANIMAL DRUGS FOR USE IN ANIMAL FEEDS

1. The authority citation for 21 CFR part 558 continues to read as follows:

Authority: 21 U.S.C. 360b, 371.

§ 558.4 [Amended]

2. Section 558.4 *Medicated feed applications* is amended in paragraph (d), in the table entitled "Category II", in the entry "Halofuginone hydrobromide" in the second column by removing "80-120" and adding in its place "90-115".

Dated: February 26, 1998.

Steven D. Vaughn,

Acting Director, Office of New Animal Drug Evaluation, Center for Veterinary Medicine.

Food and Drug Administration

21 CFR Part 558

New Animal Drugs for Use in Animal Feeds; Chlortetracycline, Sulfathiazole, Penicillin; Correction

AGENCY: Food and Drug Administration, HHS.

ACTION: Final rule, correction.

SUMMARY: The Food and Drug Administration (FDA) is correcting a final rule that appeared in the **Federal Register** of January 15, 1998 (63 FR 2306). The document amended the animal drug regulations to reflect approval of Hoffmann-La Roche, Inc.'s, abbreviated new animal drug regulation (ANADA). ANADA 200-167 provides for use of Aureozol®, a Type A medicated article containing chlortetracycline, sulfathiazole, and penicillin to make Type C medicated swine feeds. The amendment to § 558.155(a)(2) (21 CFR 558.155(a)(2)), reflecting the approval, incorrectly provided for sponsor No. 054273 when it should have provided for Nos. 000004 and 000010. This document corrects that error.

EFFECTIVE DATE: January 15, 1998.

FOR FURTHER INFORMATION CONTACT: Lonnie W. Luther, Center for Veterinary Medicine (HFV-102), Food and Drug Administration, 7500 Standish Pl., Rockville, MD 20855, 301-827-0209.

SUPPLEMENTARY INFORMATION: In the **Federal Register** of January 15, 1998 (63 FR 2306), FDA published a document reflecting approval of Hoffmann-La Roche, Inc.'s, ANADA 200-167. The approval was for Aureozol®, a Type A medicated article containing chlortetracycline calcium complex equivalent to 40 grams (g) of chlortetracycline hydrochloride, 8.8 percent (40 g) sulfathiazole, and procaine penicillin equivalent in activity to 20 g of penicillin per pound, to make Type C medicated swine feeds containing 100 g of chlortetracycline, 100 g of sulfathiazole, and 50 g of penicillin per ton of feed. Hoffmann-La Roche's ANADA 200-167 was approved as a generic copy of Boehringer Ingelheim Animal Health, Inc.'s, NADA 39-077 CSP 500 Fermazole Brand (chlortetracycline (as hydrochloride), sulfathiazole, penicillin (from procaine penicillin)). The regulations that were amended in § 558.155(a)(2) to reflect the approval provided the incorrect drug labeler number. This document corrects the error by providing for "Nos. 000004 and 000010".

In FR Doc. 98-703, appearing on page 2306 in the **Federal Register** of Thursday, January 15, 1998, the following correction is made:

§ 558.155 [Corrected]

1. On page 2307, in the second column, amendment no. 2 is corrected to read "Section 558.155 *Chlortetracycline, sulfathiazole, penicillin* is amended in paragraph (a)(2) by removing '000010' and adding in its place 'Nos. 000004 and 000010'".

Dated: February 26, 1998.

Steven D. Vaughn,

Acting Director, Office of New Animal Drug Evaluation, Center for Veterinary Medicine.

RIN 0790-AG50

Collection From Third Party Payers of Reasonable Costs of Healthcare Services

AGENCY: Office of the Assistant Secretary of Defense (Health Affairs), DoD.

ACTION: Final rule with request for comments.

SUMMARY: This final rule implements, without embellishment or additional requirement, the recently enacted statutory authority to collect Social Security account numbers from all DoD beneficiaries as part of the program to identify third party payer situations.

DATES: This rule is effective April 9, 1998. Comments are requested by May 11, 1998.

ADDRESSES: Forward comments to: Third Party Collection Program, Office of the Assistant Secretary of Defense (Health Affairs), Health Services Operations and Readiness, 1200 Defense Pentagon, Washington, DC 20301-1200.

FOR FURTHER INFORMATION CONTACT: LTC Michael Montgomery, 703-681-8910.

SUPPLEMENTARY INFORMATION:

Final Rule Regarding Collection of Social Security Account Numbers

As part of the program to identify third party payer situations, Congress authorized DoD to require mandatory disclosure of Social Security account numbers of all covered beneficiaries. Based on this statutory revision, we are adding the final rule, § 220.9(d), that every covered beneficiary eligible for care in facilities of the Uniformed Services is, as a condition of eligibility, required to disclose to authorized personnel his or her Social Security account number. This is essential to the conduct of the program to identify third party payer situations.

Executive Order 12866, "Regulatory Planning and Review"

It has been determined that this rule is not a significant rule as defined under section 3(f)(1) through 3(f)(4) of Executive Order 12866.

Public Law 96-354, "Regulatory Flexibility Act" (5 U.S.C. 601)

It has been determined that this rule will not have a significant economic impact on a substantial number of small entities because it affects only DoD employees and certain former DoD employees.

Public Law 96-511, "Paperwork Reduction Act" (44 U.S.C. Chapter 35)

It has been certified that this rule does not impose any reporting or recordkeeping requirements under the Paperwork Reduction Act of 1995.

This rule implements, without embellishment or additional requirement, the statutory authority to require, as part of the program for the identification of third party payer situations, the mandatory disclosure of Social Security account numbers for all covered beneficiaries. Congress recognized that the information matching program cannot proceed without Social Security account numbers to assure correct identification of each individual in the respective databases.

List of Subjects in 32 CFR Part 200

Claims, Health care, Health insurance.

For the reasons stated in the preamble, 32 CFR part 220 is amended as follows:

PART 220—COLLECTION FROM THIRD PARTY PAYERS OF REASONABLE COSTS OF HEALTH CARE SERVICES

1. The authority citation for 32 CFR part 220 continues to read as follows:

Authority: 5 U.S.C. 301, 10 U.S.C. 1095.

2. Section 220.9 is amended by adding a new paragraph (d) to read as follows:

§ 220.9. Rights and obligations of beneficiaries.

* * * * *

(d) *Mandatory disclosure of Social Security account numbers.* Pursuant to 10 U.S.C. 1095(k)(2), every covered beneficiary eligible for care in facilities of the Uniformed Services is, as a condition of eligibility, required to disclose to authorized personnel his or her Social Security account number.

Dated: March 4, 1998.

L.M. Bynum,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

DEPARTMENT OF TRANSPORTATION**Coast Guard****33 CFR Part 117**

[CGD 08-98-008]

Drawbridge Operating Regulation; Houma Navigation Canal, LA

AGENCY: Coast Guard, DOT.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, Eighth Coast Guard District has issued a temporary deviation from the regulation in 33 CFR 117.5 governing the operation of the SR 661 swing span drawbridge across the Houma Navigation Canal, mile 36 near Houma, Terrebonne Parish, Louisiana. This deviation allows the Louisiana Department of Transportation and Development to close the bridge to navigation from 9 a.m. until 6 p.m. on Mondays and from 6:30 a.m. until 6 p.m. Tuesdays through Thursdays. The swing span will open for the passage of traffic at 9 a.m., noon and 3 p.m. daily. The draw may open at other times should a large accumulation of waterway traffic occur. This temporary deviation is issued to allow for the replacement of the decking of the swing span, an extensive but necessary maintenance operation.

DATES: This deviation is effective from 9 a.m. on February 16, 1998 through 6 p.m. on March 26, 1998.

FOR FURTHER INFORMATION CONTACT: Mr. Phil Johnson, Bridge Administration Branch, Commander (ob), Eighth Coast Guard District, 501 Magazine Street, New Orleans, Louisiana, 70130-3396, telephone number 504-589-2965.

SUPPLEMENTARY INFORMATION: The SR 661 swing span drawbridge across the Houma Navigation Canal near Houma, Terrebonne Parish, Louisiana, has a vertical clearance of 1 foot above high water in the closed-to-navigation position and unlimited clearance in the open-to-navigation position. Navigation on the waterway consists of tugs with tows, fishing vessels, sailing vessels, and other recreational craft. The Louisiana Department of Transportation and Development sent a letter to the Coast Guard requesting a temporary deviation from the normal operation of the bridge in order to accommodate the maintenance work. The maintenance work involves removing, repairing, and replacing the steel grid decking. This work is essential for the continued operation of the draw span.

This deviation allows the draw of the SR 661 swing span bridge across the

Houma Navigation Canal to remain in the closed-to-navigation position between 9 a.m. and 6 p.m. on Mondays and between 6:30 a.m. and 6 p.m. Tuesdays through Thursdays. The swing span will open for the passage of traffic at 9 a.m., noon and 3 p.m. daily. The draw may open at other times should a large accumulation of waterway traffic occur.

This deviation will be effective from 9 a.m. on February 16, 1998 through 6 p.m. on March 26, 1998. Presently, the draw opens on signal except that from 7 a.m. to 8:30 a.m. and 4:30 p.m. to 6 p.m. Monday through Friday except holidays, the draw need not open for the passage of vessels.

Dated: February 20, 1998.

T.W. Josiah,

Rear Admiral, U.S. Coast Guard, Commander, Eighth Coast Guard District.

Approval and Promulgation of Air Quality Implementation Plans; New Hampshire; Revised Regulations and Source-Specific Reasonably Available Control Technology Plans Controlling Volatile Organic Compound Emissions and Emission Statement Requirements

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: EPA is approving State Implementation Plan (SIP) revisions submitted by the State of New Hampshire. This action is being taken under the Clean Air Act. EPA is approving the revisions to the New Hampshire State Implementation Plan (SIP) submitted by the State of New Hampshire on December 21, 1992, July 10, 1995, June 28, 1996, October, 24, 1996 and December 9, 1996. These SIP revisions consist of source specific VOC RACT determinations for L.W. Packard and Company, Textile Tapes Corporation, and Kalwall Corporation. They also consist of revisions to the State's volatile organic compound (VOC) regulations in Chapter Env-A 1204 (but not including section 1204.06), certain testing and monitoring requirements in Chapter Env-A 800, and recordkeeping and reporting requirements in Chapter Env-A 900, all of which require the implementation of
