[Docket No. GT98-23-000]

#### Overthrust Pipeline Company; Notice of Tariff Filing

March 5, 1998.

Take notice that on March 2, 1998, Overthrust Pipeline Company (Overthrust), tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1-A, Fourth Revised Sheet No. 1, and Sixth Revised Sheet No. 30, to be effective April 1, 1998,

Overthrust states that the revised tariff sheets update the Table of Contents of Overthrust's tariff. Overthrust states that the proposed technical changes are required due to the pagination of various tariff sheets that were filed by Overthrust to become effective during 1997.

Overthrust states further that a copy of this filing has been served upon its customers and the Wyoming Public Service Commission.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.211 and 385.214 of the Commission's Rules and Regulations. All such motions or protests should be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

### Federal Energy Regulatory Commission

[Docket Nos. EC96-19-018 and ER96-1663-019]

#### Pacific Gas and Electric Company, San Diego Gas & Electric Company, and Southern California Edison Company; Notice of Filing

March 4, 1998.

Take notice that on March 3, 1998, the California Independent System Operator Corporation (ISO), filed for Commission acceptance in these dockets, pursuant to Section 205 of the Federal Power Act, an application to amend the ISO Tariff, including the ISO Protocols (ISO Tariff), by adding new Sections 21 and 22 (Amendment No. 5), and a motion for waiver of the 60-day notice requirement. The ISO requests that the Amendment No. 5, be accepted for filing and be made effective as of the ISO Operations Date, which will no later than March 31, 1998.

The ISO states that the ISO Tariff Sections 21 and 22 would defer, for a brief period of time, certain functions contemplated by the ISO Tariff. Specifically, Section 21 would set the Generation Meter Multiplier at 1.0 for scheduling purposes. Section 22 would increase the schedule validation tolerance from 1 MW to 20 MW. The ISO also requests the Commission allow the reinstatement of the deferred functions upon seven days notice (via posting on the ISO's Home Page and submission of such notices to the Commission), by pre-approving the termination of proposed Sections 21 and 22.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before March 16, 1998. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the

Commission and are available for public inspection.

#### Pacific Gas and Electric Company, San Diego Gas & Electric Company, and Southern California Edison Company; Notice of Filing

March 4, 1998.

Take notice that on March 3, 1998, the California Power Exchange Corporation (PX), filed for Commission acceptance in this docket, pursuant to Section 205 of the Federal Power Act, an application to amend the PX Operating Agreement and Tariff (including Protocols) (PX Tariff), and a motion for waiver of the 60-day notice requirement. The PX requests that the proposed PX Tariff amendments be made effective as of the PX operations date because the amendments are needed for initial operations.

The proposed amendments would address PX Tariff provisions involving Generation Meter Multipliers, security and credit, the Default Interest Rate, use of the PX Reserve Account, the bundling of California Independent System Operator Corporation charges to the PX, ADR conflicts of the law and federal entities, Overgeneration, Interruptible Imports, Existing Contracts, Inter-Scheduling Coordinator trading, Congestion Management, and the PX Participation Agreement.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before March 16, 1998. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the
