**FEDERAL MARITIME COMMISSION****[Docket No. 98-03]****Sea Dragon Navigation Ltd., et al.—  
Possible Violations of Sections 8,  
10(a)(1), 10(b)(1) and 23 of the  
Shipping Act of 1984; Order of  
Investigation and Hearing**

Since early 1996, it appears that Sea Dragon Navigation Ltd. ("Sea Dragon"), a Hong Kong company, has become an increasingly active and problematic participant in the inbound Far East-United States trades. It is alleged that Sea Dragon has involved itself in myriad rate malpractices with respect to this traffic including, *inter alia*, improperly accessing service contracts belonging to other shippers, widespread misdescription of commodities to ocean common carriers transporting the cargo and the use of other devices such as improper connecting carrier agreements as a means of obtaining transportation at less than applicable rates. It further appears that, in the conduct of this enterprise Sea Dragon has employed various false or assumed names, and has obtained the services, participation and assistance of numerous companies, destination agents and individuals, both in the U.S. and abroad.

Due to the concerted nature of the malpractices apparently carried out here, and the significant inter-relationships, both commercial and corporate, between the companies and individuals involved, seventeen (17) corporate parties and individuals are named Respondents herein:

(1) Sea Dragon Navigation Ltd. is a Hong Kong company located at Room 602, The Centre Mark, 287-299 Queen's Road Central, Hong Kong, PRC. Sea
