##### **Strauss Underwear Corporation, Jersey City, NJ; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on February 9, 1998, applicable to workers of Strauss Underwear Corporation located in Jersey City, New Jersey. The notice will soon be published in the **Federal Register**.

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers produced ladies' intimate apparel. Findings show that the Department incorrectly set the worker certification impact date at August 15, 1997. The impact date should be July 16, 1996, one year prior to the date of the petition. Accordingly, the Department is amending the certification to reflect this matter.

The amended notice applicable to TA-W-33,786 is hereby issued as follows:

All workers of Strauss Underwear Corporation, Jersey City, New Jersey engaged in employment related to the production of ladies' intimate apparel who became totally or partially from employment on or after July 16, 1996, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 5th day of March 1998.
