

after the publication date, as provided for by section 751(a)(1) of the Act: (1) the cash deposit rate for the reviewed company will be the rate for that firm as stated above; (2) if the exporter is not a firm covered in this review, or the original less than fair value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (3) if neither the exporter nor the manufacturer is a firm covered in this review, the cash deposit rate will be 19.32 percent. This is the "all others" rate from the amended final determination in the LTFV investigation. See Amended Final Determination Pursuant to CIT Decision: Certain Cold-Rolled Carbon Steel Flat Products from the Netherlands, 61 Fed. Reg. 47871. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a final reminder to importers of their responsibility under section 353.26 of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period.

Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 353.34(d) of the Department's regulations. Timely notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and this notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and section 353.22 of the Department's regulations.

Dated: March 9, 1998.
