[Docket No. GT 98-27-00]

Williams Gas Pipelines Central, Inc.; Notice of Proposed Changes in FERC Gas Tariff

March 12, 1998.

Take notice that on March 6, 1998, Williams Gas Pipelines Central, Inc., formerly Williams Natural Gas Company (Williams), tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1.

Williams states that Williams Natural Gas Company changed its name to Williams Gas Pipelines Central, Inc. effective January 12, 1998. The instant filing is being made to file a new Volume No. 1 tariff and make other miscellaneous changes.

Williams states that a copy of its filing was served on all of Williams' jurisdictional customers and interested state commissions.

Any person desiring to be heard or to protest this filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Toxic Substances; Correction of Misreported Chemical Substances on the TSCA Inventory; Agency Information Collection Activities; Proposed Renewal and Request for Comment**AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Notice.

SUMMARY: In compliance with the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*), this notice announces that EPA is planning to submit the following continuing Information Collection Request (ICR) to the Office of Management and Budget (OMB) pursuant to the procedures described in 5 CFR 1320.12. Before submitting the following ICR to OMB for review and reapproval, EPA is soliciting comments on specific aspects of the information collection, which is briefly described below. The ICR is a continuing ICR entitled "Correction of Misreported Chemical Substances on the TSCA Inventory," EPA ICR No. 1741.02, OMB No. 2070-0145. This ICR covers the reporting of corrected information to the Toxic Substances Control Act (TSCA) section 8(b) Inventory of Chemical Substances, which relates to reporting requirements that appear at 40 CFR part 710. An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations are listed in 40 CFR part 9.

DATES: Written comments must be submitted on or before May 18, 1998.

ADDRESSES: Each comment must bear the docket control number "OPPTS-00236" and administrative record number 191. All comments should be sent in triplicate to: OPPT Document Control Officer (7407), Office of Pollution Prevention and Toxics,

Environmental Protection Agency, 401 M St., SW., Rm. G-099, East Tower, Washington, DC 20460. Comments and data may also be submitted electronically to:

oppt.ncic@epamail.epa.gov. Follow the instructions under Unit III. of this document. No TSCA Confidential Business Information (CBI) should be submitted through e-mail.

All comments which contain information claimed as CBI must be clearly marked as such. Three sanitized copies of any comments containing information claimed as CBI must also be submitted and will be placed in the public record for this document.

Persons submitting information any portion of which they believe is entitled to treatment as CBI by EPA must assert a business confidentiality claim in accordance with 40 CFR 2.203(b) for each such portion. This claim must be made at the time that the information is submitted to EPA. If a submitter does not assert a confidentiality claim at the time of submission, EPA will consider this as a waiver of any confidentiality claim and the information may be made available to the public by EPA without further notice to the submitter.
