[Docket No. CP98–270–000]

ANR Pipeline Company; Notice of Application

March 16, 1998.

Take notice that on March 9, 1998, ANR Pipeline Company (ANR), 500 Renaissance Center, Detroit, Michigan 48243, filed in Docket No. CP98–270–000 an application pursuant to Section 7(b) of the Natural Gas Act for permission and approval to abandon by sale a subsea side valve assembly (Interconnection) at West Cameron Area Block 601, offshore Louisiana, to Tennessee Gas Pipeline Company (Tennessee) and Columbia Gulf Transmission Company (Columbia Gulf), all as more fully set forth in the application on file with the Commission and open to public inspection.

ANR states that the Interconnection, which was certificated in Docket No. CP81–281–000 along with other facilities, ties into pipeline facilities owned by Tennessee and Columbia Gulf. ANR also states that after the facilities authorized in Docket No. CP81–281–000 were placed in service, Samedan Oil Corporation (Samedan) tied its facilities into ANR's Interconnection. ANR states that the sale/abandonment of the Interconnection would allow Samedan to connect directly to Tennessee's and Columbia Gulf's facilities rather than indirectly through ANR.

ANR states that the proposed abandonment by sale will not result in any termination of service, and will not otherwise change the authorizations granted ANR in Docket No. CP98–281–000. ANR also states that the sale price will be the lesser of the net book value or \$243,680.

Any person desiring to be heard or to make any protest with reference to said application should on or before April 6, 1998, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a

motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided or, unless otherwise advised, it will be unnecessary for ANR to appear or be represented at the hearing.

David P. Boergers,

Acting Secretary.
