SUPPLEMENTARY INFORMATION:

Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Rounds Agreements Act.

Background

On April 24, 1997 (62 FR 19988), the Department initiated an administrative review of the antidumping duty finding on viscose rayon staple fiber from Finland, covering the period March 1, 1996 through February 28, 1997. On December 10, 1997 (62 FR 65063), the Department published the preliminary determination in this review.

Postponement of Final Results of Review

Section 751(a)(3)(A) of the Act requires the Department to make a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) allows the Department to extend this time period to 180 days after the date on which the preliminary determination is published.

Because of the complexity of the scope issues involved in this review, we determine that it is not practicable to complete this review within the original time frame.

Accordingly, the deadline for issuing the final results of this review will be no later than 180 days from the publication of the preliminary determination (June 8, 1998).

These extensions are in accordance with section 751(a)(3)(A) of the Act (19 U.S.C. 1675 (a)(3)(A)).

Dated: March 20, 1998.

Richard Moreland,

Deputy Assistant Secretary for Import Administration.
