Guidelines (7 CFR, Part 650); the Natural Resources Conservation Service, U.S. Department of Agriculture, gives notice that an environmental impact statement is not being prepared for the Little Toby Creek Watershed, Elk and Jefferson Counties, Pennsylvania.

FOR FURTHER INFORMATION CONTACT:

Ms. Janet L. Oertly, State Conservationist, USDA—Natural Resources Conservation Service, Suite 340, One Credit Union Place, Harrisburg, Pennsylvania 17110-2993, telephone (717) 237-2202; fax (717) 237-2239.

SUPPLEMENTARY INFORMATION: The environmental assessment of this federally-assisted action indicates that the project will not cause significant adverse impacts on the local, regional, or national environment. As a result of these findings, Janet L. Oertly, State Conservationist, has determined that the preparation and review of an environmental impact statement is not needed for this project.

The project concerns a plan for water quality improvement by treating acid mine drainage from seven discharges that are the source of surface water pollution. The planned works of improvement involve six passive wetland treatment systems and one hydrated lime dosing plant to reduce acid, iron, and aluminum loadings into watershed streams. A deep mine opening will be closed and a mine highwall will be removed.

The "Notice of a Finding of No Significant Impact" (FONSI) has been forwarded to the U.S. Environmental Protection Agency. A limited number of copies of the FONSI is available to fill single copy requests at the above address. The environmental assessment and basic data may be reviewed by contacting Janet L. Oertly.

No administrative action on implementation of the proposal will be taken until thirty (30) days after the date of this publication in the **Federal Register**.

(This activity is listed in the Catalog of Federal Domestic Assistance Program No. 10.904—Watershed Protection and Flood Prevention and is subject to the provisions of Executive Order 12372 which requires intergovernmental consultation with State and local officials)
