SUPPLEMENTARY INFORMATION: The following information and requirements are applicable to the listed MBDCs: Miami/Ft. Lauderdale, Raleigh/Durham, San Antonio, El Paso, Statewide New Mexico, Philadelphia, Williamsburg, Seattle, Honolulu, and San Jose.

The funding instrument for this project will be a cooperative agreement. Competition is open to non-profit and for-profit organizations (including sole-proprietors), state and local governments, American Indian tribes and educational institutions.

Applications will be evaluated by an independent panel of at least three

individuals qualified to review the applications based on the following criteria: the knowledge, background and/or capabilities of the firm and its staff in addressing the needs of the business community in general and, specifically, the special needs of minority businesses, individuals and organizations (45 points), the resources available to the firm in providing business development services (10 points); the firm's approach (techniques and methodologies) to performing the work requirements included in the application (25 points); and the firm's estimated cost for providing such assistance (20 points). An application must receive at least 70% of the points assigned to each evaluation criteria category to be considered programmatically acceptable and responsive. The competitive panel's evaluations are then considered by the Regional Director or the Director's designee who makes a recommendation for selection to the Director of MBDA. The Director of MBDA will review those applications determined to be acceptable and responsive. Recommendations by the Regional Director or the Director's designee and final award selection by the Director shall be based on the number of evaluation criteria points received, the demonstrated responsibility of the applicant, and the Director's determination of the applications most likely to further the purpose of the MBDA program. Negative audit findings, financial instability, and unsatisfactory performance under prior Federal awards may result in an application not being considered for award. Applicants not selected for these reasons will be notified. The applicant with the highest point score will not necessarily receive the award. On occasion, competitive solicitations or competitive panels may produce results that do not satisfactorily comply with MBDA program requirements. Some examples of unsatisfactory results are as follows:

- Competition resulting in no applications,
- Competition resulting in one programmatically acceptable application (where the MBDA Director establishes with written justification that a slate of more than one programmatically acceptable application is necessary), and
- Competition resulting in all unresponsive applications (determined to be programmatically unacceptable).

In these cases, MBDA will take the most time and cost effective approach available that is in the best interest of

the government to achieve its mission. This includes one of the following:

- *Recompetition*—is the most acceptable option. Where time and funding considerations allow for recompetition, MBDA will cancel the original solicitation and issue a new one; beginning a new round of competition.
- *Re-paneling*—is a viable option when the MBDA Director has reason to question either the objectivity or proper scoring of a panel.
- *Negotiation*—may be an option in those instances where the MBDA Director believes that recompeting would produce the same or similar results as the original competition and is, therefore, a waste of government money and time. When negotiations occur because recompeting is not a viable option, negotiations must occur equitably with all original applicants.
- *Cancellation*—is appropriate when none of the above is determined to be a viable option, or for other programmatic reasons.

Periodic reviews culminating in year-to-date evaluations will be conducted to determine if funding for the project should continue. Under MBDA's existing competitive program cycle, an MBDC recipient can receive two additional twelve-month budget periods. Continued funding will be at the total discretion of MBDA based on such factors as the MBDC's performance, the availability of funds and Agency priorities.

The MBDC shall be required to contribute at least 15% of the total project cost through non-Federal contributions. To assist in this effort, the MBDC may charge client fees for services rendered. Fees may range from \$10 to \$60 per hour based on the gross receipts of the client's business.

Anticipated processing time of this award is 120 days. Executive Order 12372, "Intergovernmental Review of Federal Programs," is not applicable to this program. Federal funds for this project include audit funds for non-CPA recipients. In the event that a CPA firm wins the competition, the funds allocated for audits are not applicable. The contact person indicated above can answer questions concerning the preceding information, and copies of application kits and applicable regulations can be obtained at the above address. This document involves collections of information subject to the Paperwork Reduction Act, which have been approved by OMB under OMB control numbers 0348-0043, 0348-0044, 0348-0040, 0348-0046, and 0640-0006. Notwithstanding any other provision of law, no person is required to respond to

nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid OMB control number.

Awards under this program shall be subject to all Federal laws, and Federal and Departmental regulations, policies, and procedures applicable to Federal financial assistance awards.

Application Forms and Kit—Standard Forms 424, Application for Federal Assistance; 424A, Budget Information—Non-Construction Programs; and 424B, Assurances—Non-Construction Programs, (Rev 4-92), shall be used in applying for financial assistance. An application kit containing all application forms and certifications is available by contacting the appropriate Regional Office listed as further information contacts.

Pre-Award Costs—Applicants are hereby notified that if they incur any costs prior to an award being made, they do so solely at their own risk of not being reimbursed by the Government. Notwithstanding any verbal assurance that an applicant may have received, there is no obligation on the part of the Department of Commerce to cover pre-award costs.

Indirect Costs—The total dollar amount of the indirect costs proposed in an application under this program must not exceed the indirect costs rate negotiated and approved by a cognizant Federal agency prior to the proposed effective date of the award or 100 percent of the total proposed direct costs dollar amount in the application, whichever is less.

Outstanding Accounts Receivable—No award of Federal funds shall be made to an applicant who has an outstanding delinquent Federal debt until either the delinquent account is paid in full, repayment schedule is established and at least one payment is received or other arrangements satisfactory to the Department of Commerce are made.

Name Check Policy—All non-profit and for-profit applicants are subject to a name check review process. Name checks are intended to reveal if any key individuals associated with the applicant have been convicted of or are presently facing criminal charges such as fraud, theft, perjury or other matters, which significantly reflect on the applicant's management honesty or financial integrity.

False Statements—A false statement on an application for Federal financial assistance is grounds for denial or termination of funds, and grounds for

possible punishment by a fine or imprisonment as provided in 18 U.S.C. 1001.

Primary Applicant Certifications—All primary applicants must submit a completed Form CD-511, "Certifications Regarding Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements and Lobbying."

Drug Free Workplace—Grantees (as defined at 15 CFR Part 26, § 26.605) are subject to 15 CFR Part 26, Subpart F, "Governmentwide Requirements for Drug-Free Workplace (Grants)" and the related section of the certification form prescribed above applies.

Anti-Lobbying—Persons (as defined at 15 CFR Part 28, § 28.105) are subject to the lobbying provisions of 31 U.S.C. 1352, "Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions," and the lobbying section of the certification form prescribed above applies to applications/bids for grants, cooperative agreements, and contracts for more than \$100,000, and loans and loan guarantees for more than \$150,000 or the single family maximum mortgage limit for affected programs, whichever is greater.

Anti-Lobbying Disclosures—Any applicant that has paid or will pay for lobbying using any funds must submit an SF-LLL, "Disclosure of Lobbying Activities," as required under 15 CFR Part 28, Appendix B.

Lower Tier Certifications—Recipients shall require applications/bidders for subgrants, contracts, subcontracts, or other lower tier covered transactions at any tier under the award to submit, if applicable, a completed Form CD-512, "Certifications Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions and Lobbying" and disclosure form, SF-LLL, "Disclosure of Lobbying Activities." Form CD-512 is intended for the use of recipients and should not be transmitted to DOC. SF-LLL submitted by any tier recipient or subrecipient should be submitted to DOC in accordance with the instructions contained in the award document.
