Agency Information Collection Activities: Submission for OMB Review; Comment Request

The Department of Health and Human Services, Program Support Center (PSC), publishes a list of information collections it has submitted to the Office of Management and Budget (OMB) for clearance in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) and 5 CFR 1320.5. The following information collection was recently submitted to OMB:

1. Application Packets for Real Property for Public Health Purposes—0937-0191—Reinstatement.

The Department of Health and Human Services administers a program to convey or lease surplus real property to States and their political subdivisions and instrumentalities, to tax-supported institutions, and to nonprofit institutions to be used for health purposes. State and local governments and nonprofit organizations use these applications to apply for excess/surplus, underutilized/unutilized and off-site Government real property. Information in the application is used to determine eligibility to purchase, lease, or use property under the provisions of the surplus property program. The instructions have been reduced from six (6) packets to three (3) to streamline and consolidate the health and homeless application processes. The Environmental information form, used to evaluate potential environmental effects of a proposal as required by the National Environmental Policy Act of 1969, is being revised to provide factual data to support the response to each

question and to leave no doubt about what conditions or adverse effects are being considered as well as to make it more user friendly. *Respondents:* State, Local or Tribal Governments; not-for-profit institutions; *Total Number of Respondents:* 55 per calendar year; *Number of Responses per Respondent:* one response per request; *Average Burden per Response:* 200 hours; *Estimated Annual Burden:* 11,000 hours.

OMB Desk officer: Allison Eydt.

Copies of the information collection package listed above can be obtained by calling the PSC Reports Clearance Officer on (301) 443-2045. Written comments and recommendations for the proposed information collection should be sent directly to the OMB desk officer designated above at the following address: Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, 725 17th Street NW, Washington, DC 20503.
