[Docket No. OR98-12-000]

Longhorn Partners Pipeline, L.P.; Notice of Petition for Declaratory Order, Application for Authority To Charge Market-Based Rates, and Request for Waiver

March 26, 1998.

Take notice that on March 19, 1998, Longhorn Partners Pipeline, L.P., filed a petition for declaratory order, under Rule 207(a)(2) of the Commission's Rules of Practice and Procedure [18 CFR 385.207(a)(2)], and application for a market power determination, under Part 348 of the Commission's regulations [18 CFR Part 348]. Longhorn also seeks waiver of section 342.2 of the Commission's regulations (18 CFR 342.2).

Longhorn states that it presently is engaged in the conversion and construction of an oil pipeline and expects to file initial rates in October 1998 and commence operations as a common carrier of refined petroleum products in November 1998. Before filing its initial rates, Longhorn seeks an advance determination by the Commission that it will not have market power at its origin in Galena Park, Texas, or at its destination at the El Paso, Texas, gateway. Longhorn also requests a waiver of section 342.2 of the Commission's regulations to allow it to justify initial rates by a market power determination.

Any person desiring to be heard or to protest Longhorn's filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with sections 385.211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All motions or protests should be filed on or before April 27, 1998. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the public reference room.
