

agreements are subject to the contingency that the Environmental Protection Agency may elect not to complete the settlements based on matters brought to its attention during the public comment period established by this Notice.

EPA is entering into these agreements under the authority of Sections 122(g) and 107 of CERCLA, 42 U.S.C. 9622(g) and 9607. Section 122(g) of CERCLA, 42 U.S.C. 9622(g), authorizes early settlements with *de minimis* parties to allow them to resolve their potential liability under CERCLA. Under this authority, EPA proposes to settle with homeowners at the Palmerton Zinc Site who meet the standards for a *de minimis* landowner settlement under CERCLA Section 122(g)(1)(B), 42 U.S.C. 9622(g)(1)(B). The Environmental Protection Agency will receive written comments to these proposed administrative settlements for thirty (30) days from the date of publication of this Notice. A copy of the proposed Administrative Orders on Consent can be obtained from the Environmental Protection Agency, Region III, Office of Regional Counsel, (3RC00), 841 Chestnut Building, Philadelphia, Pennsylvania 19107, by contacting Cynthia Nadolski, Senior Assistant Regional Counsel, at (215) 566-2673.

Alvin R. Morris,

Acting Regional Administrator, U.S. EPA Region III.

FEDERAL COMMUNICATIONS COMMISSION

[DA 98-557]

License Renewal Procedures for Certain 800 MHz Conventional SMR Licenses on General Category Channels

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: In this Public Notice, the Wireless Telecommunications Bureau (Bureau) describes the license renewal procedures for certain 800 MHz conventional SMR licenses on General Category channels. Specifically, the Bureau reminds the licensees of their responsibility to apply for renewal of their license prior to the expiration date of the license. Pursuant to the Commission's rules, failure to file for renewal will result in automatic cancellation of the license on the license expiration date.

FOR FURTHER INFORMATION CONTACT:

Terry Fishel at (717) 338-2602 or Ramona Melson, Tejal Mehta or David Judelsohn at (202) 418-7240.

SUPPLEMENTARY INFORMATION: The Commission currently has a large number of 800 MHz conventional Specialized Mobile Radio (SMR) licensees on General Category channels that received an extension of time from eight months to twelve months to construct their facilities and commence operation pursuant to the Commission's decision in Daniel R. Goodman, Receiver; Dr. Robert Chan, Petition for Waiver of sections 90.633(c) and 1.1102 of the Commission's Rules, Memorandum Opinion and Order, 10 FCC Rcd. 8537 (1995) (Goodman/Chan Order). These affected licensees include the Goodman/Chan licensees, who are the approximately 4400 licensees who obtained 800 MHz SMR licenses on General Category channels by using the services of one of four companies that were the subject of an enforcement action brought by the Federal Trade Commission. These four companies are Metropolitan Communications Corp., Nationwide Digital Data Corp., Columbia Communications Services, and Stephens Sinclair, Ltd. The Goodman/Chan Order will become effective upon publication in the **Federal Register**. Goodman/Chan Order, 10 FCC Rcd. at 8551. The Goodman/Chan Order was not immediately published in the **Federal Register** because the Receiver representing the bankrupt licensing companies sought a stay of publication of the Goodman/Chan Order in the **Federal Register** until the Commission agreed to resolve other related issues. Also included within this group are other licensees who have filed waivers seeking relief similar to that granted to the Goodman/Chan Licensees pursuant to the Goodman/Chan Order. The Bureau has not ruled on the requests filed by these licensees and they remain pending.

Because the license terms for some of these licensees are to expire in the near future, the Bureau reminds these licensees that it is the responsibility of each licensee to apply for renewal of its license prior to the expiration date of the license, pursuant to 47 CFR 90.149(a). According to the Commission's rules, in 47 CFR 1.926(a)(1), 800 MHz SMR licensees will receive an Application for Renewal of Private Radio Station License Form (FCC Form 574-R) in the mail from the Commission. If within sixty days before the scheduled expiration of the license, the licensee has not received FCC Form 574-R, the licensee should file a Private

Radio Application for Renewal, Reinstatement and/or Notification of Change to License Information Form (FCC Form 405-A) before the expiration date of the license to renew the license. Thus, failure of a licensee to receive a FCC Form 574-R from the Commission is no excuse for failure to file a renewal application. The license renewal application should be filed in accordance with the Commission's rules at 47 CFR 90.127(b) and the instructions for the appropriate form. In accordance with the Commission's rules, failure to file a license renewal application prior to the license expiration date results in the automatic cancellation of the license on its expiration date. Licensees are also reminded to submit the appropriate fee with the license renewal form.

Licensees may apply for reinstatement of an expired license no later than thirty days after the expiration date of the license. See 47 CFR 90.127(b), 90.149(a). However, reinstatement of the license is not guaranteed. Because no decision has been rendered which, if any, of the licensees with pending waiver requests will be granted relief similar to that granted to the Goodman/Chan Licensees in the Goodman/Chan Order, it is possible that the licenses of such licensees who herein file for a license renewal or reinstatement may subsequently be terminated for failure to construct. Therefore, any renewal or reinstatement of the licenses will not prejudice the outcome of our decision regarding any pending licensees' waiver requests or the resolution of any outstanding issues involving the implementation of waivers previously granted.

Federal Communications Commission.

Daniel Phythyon,

Chief, Wireless Telecommunications Bureau.
