FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Submitted to OMB for Review and Approval

March 26, 1998.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act of 1995, Pub. L. 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before May 4, 1998. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Judy Boley, Federal Communications

Commission, Room 234, 1919 M St., N.W., Washington, DC 20554 or via internet to jboley@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection(s), contact Judy Boley at 202-418-0214 or via internet at jboley@fcc.gov.

SUPPLEMENTARY INFORMATION:

ORB Control No.: 3060-0633.

Title: Sections 73.1230, 74.165, 74.432, 74.564, 74.664, 74.765, 74.832, 74.965, 74.1265, Station License.

Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit, not-for-profit institutions.

Number of Respondents: 10,000.

Estimated Time Per Response: .083 hours.

Frequency of Response:

Recordkeeping requirement.

Cost to Respondents: \$14,000.

Total Annual Burden: 830 hours.

Needs and Uses: Section 73.1230

requires that the station license and any other instrument of station authorization for an AM, FM or TV station be posted in a conspicuous place at the place the licensee considers to be the principal control point of the transmitter. Section 74.165 requires that the instrument of authorization for an experimental broadcast station be available at the transmitter site.

Section 74.432(j) (remote pickup broadcast station) and 74.832(j) (low power auxiliary station) requires that the license of a remote pickup broadcast/low power auxiliary station shall be retained in the licensee's files, posted at the transmitter, or posted at the control point of the station. These sections also require the licensee to forward the station license to the FCC in the case of permanent discontinuance of the station.

Section 74.564 (aural broadcast auxiliary stations) require that the station license and any other instrument of authorization be posted in the room where the transmitter is located, or if operated by remote control, at the operating position.

Section 74.664 (television broadcast auxiliary stations) require that the station license and any other instrument of authorization be posted in the room where the transmitter is located. Section 74.765 (low power TV, TV translator and TV booster) and 74.1265 (FM translator stations and FM booster stations), require that the station license and any other instrument of authorization be retained in the station's files. In addition, the call sign of the station, together with the name, address

and telephone number of the licensee or the local representative of the licensee, and the name and address of the person and place where the station records are maintained, shall be displayed at the transmitter site on the structure supporting the transmitting antenna.

Section 74.965 requires that the instrument of authorization for an Instructional Television Fixed Service (ITFS) station be available at each transmitter. If the station is operated unattended, the call sign and name of the licensee shall be displayed such that it may be read within the vicinity of the transmitter enclosure or antenna structure. The data is used by FCC staff in field investigations to ensure that a station is licensed and operating in the manner specified in the license. The information posted at the transmitter site in accordance with Section 74.765 and 74.1265 would be used by the public and FCC staff to know to whom the transmitter is licensed.

ORB Control No.: 3060-0789.

Title: Modified Alternative Plan, CC Docket No. 90-571, Order ("1997 Suspension Order").
