Regulatory Flexibility Act

The Secretary hereby certifies that this proposed rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act (RFA), 5 U.S.C. 601-602, since it does not contain any substantive provisions. This proposed rule would not cause a significant effect on any entities. This proposed rule deletes a requirement for contracting officers to include a particular provision in solicitations, which does not impact the

public. Therefore, pursuant to 5 U.S.C. 605(b), this amendment is exempt from the initial and final regulatory flexibility analysis requirements of sections 603 and 604.
