Notice is hereby given of the date and location of the next meeting of the National Advisory Committee on Occupational Safety and Health (NACOSH), established under section 7(a) of the Occupational Safety and Health Act of 1970 (29 U.S.C. 656) to advise the Secretary of Labor and the Secretary of Health and Human Services on matters relating to the administration of the Act. NACOSH will hold a meeting on May 8, 1998, in Room N3437 A-D of the Department of Labor Building located at 200 Constitution Avenue NW, Washington, DC. The meeting is open to the public and will begin at 9:00 a.m. lasting until approximately 4:30 p.m.

Agenda items will include: a brief overview of current activities of the Occupational Safety and Health Administration (OSHA) and the National Institute for Occupational Safety and Health (NIOSH), a presentation on occupational injury and illness statistics, an update on OSHA's ergonomic activity, a report on the 11(c) task force, a discussion on the co-ordination of federal agencies to address

the problem of latex allergies, an update on the OSHA Performance Plan and possible reports from NACOSH's workgroups.

Written data, views or comments for consideration by the committee may be submitted, preferably with 20 copies, to Frank Frodyma at the address provided below. Any such submissions received prior to the meeting will be provided to the members of the Committee and will be included in the record of the meeting. Because of the need to cover a wide variety of subjects in a short period of time, there is usually insufficient time on the agenda for members of the public to address the committee orally. However, any such request will be considered by the Chair who will determine whether or not time permits. Any request to make a presentation should state the amount of time desired, the capacity in which the person would appear, and a brief outline of the content of the presentation.

Individuals with disabilities who need special accommodations should contact Theresa Berry (phone: 202-219-8615, extension 106; fax: 202-219-5986) one week before the meeting.

An official record of the meeting will be available for public inspection in the OSHA Technical Data Center (TDC) located in Room N2625 of the Department of Labor Building (202-219-7500). For additional information contact: Frank Frodyma, Acting Director of Policy, Occupational Safety and Health Administration (OSHA); Room N-3641, 200 Constitution Avenue NW, Washington, DC., 20210 (phone 202-219-8021, extension 102; fax: 202-219-4384; e-mail frank.frodyma@osha.no.osha.gov).

Signed at Washington, DC., this 31st day of March 1998.

Charles N. Jeffress,

DEPARTMENT OF LABOR

Pension and Welfare Benefits Administration

Prohibited Transaction Exemption 98-13; Exemption Application No. D-10304, et al.]

Grant of Individual Exemptions; MBNA America Bank, National Association

AGENCY: Pension and Welfare Benefits Administration, Labor.

ACTION: Grant of individual exemptions.

SUMMARY: This document contains exemptions issued by the Department of Labor (the Department) from certain of the prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974 (the Act) and/or the Internal Revenue Code of 1986 (the Code).

Notices were published in the **Federal Register** of the pendency before the Department of proposals to grant such exemptions. The notices set forth a summary of facts and representations contained in each application for exemption and referred interested persons to the respective applications and representations. The applications have been available for public inspection at the Department in Washington, D.C. The notices also invited interested persons to submit comments on the requested exemptions to the Department. In addition the notices stated that any interested person might submit a written request that a public hearing be held (where appropriate). The applicants have represented that they have complied with the requirements of the notification to interested persons. No public comments and no requests for a hearing, unless otherwise stated, were received by the Department.

The notices of proposed exemption were issued and the exemptions are being granted solely by the Department because, effective December 31, 1978, section 102 of Reorganization Plan No. 4 of 1978 (43 FR 47713, October 17, 1978) transferred the authority of the Secretary of the Treasury to issue exemptions of the type proposed to the Secretary of Labor.

Statutory Findings

In accordance with section 408(a) of the Act and/or section 4975(c)(2) of the Code and the procedures set forth in 29 CFR Part 2570, Subpart B (55 FR 32836, 32847, August 10, 1990) and based upon the entire record, the Department makes the following findings:

- (a) The exemptions are administratively feasible;
- (b) They are in the interests of the plans and their participants and beneficiaries; and
- (c) They are protective of the rights of the participants and beneficiaries of the plans.
