Endangered and Threatened Species Permit Application

ACTION: Notice of receipt of application.

Permit No. PRT-676811

Applicant: Assistant Regional Director—Ecological Services, Region 2, U.S. Fish and Wildlife Service, Albuquerque, New Mexico

Applicant requests authorization to renew U.S. Fish and Wildlife Service Endangered Species Permit PRT-676811, from June 15, 1998, through December 31, 2003. This permit would allow "take" of species listed as threatened or endangered under the Endangered Species Act. Taking would be for scientific research and recovery purposes or the enhancement of propagation or survival for approved recovery activities.

SUMMARY: The applicant listed above has applied for a permit renewal to conduct certain activities with endangered species. This notice is provided pursuant to section 10(a) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531, *et seq.*).

DATES: Written comments on this permit application must be received on or before May 11, 1998.

ADDRESSES: Written data or comments should be submitted to the Legal Instruments Examiner, Division of Endangered Species/Permits, Ecological Services, P.O. Box 1306, Albuquerque, New Mexico 87103. Please refer to the permit number for this application when submitting comments. All comments received, including names and addresses, will become part of the official administrative record and may be made available to the public.

FOR FURTHER INFORMATION CONTACT: U.S. Fish and Wildlife Service (see address above). Please refer to the permit number for this application when requesting copies of documents. Documents and other information submitted with these applications are available for review, subject to the requirements of the Privacy Act and Freedom of Information Act, by any party who submits a written request for a copy of such documents within 30

days of the date of publication of this notice, to the address above.

Renne Lohofener,

ARD—Ecological Services, Region 2, Albuquerque, New Mexico.
