

Title: National Park Service (NPS) Visitor Services Project Visitor Survey at Acadia National Park.

Form: Not applicable.

OMB Number: To be assigned.

Expiration Date: To be assigned.

Type of Request: Request for new clearance.

Description of Need: The National Park Service needs information concerning visitor demographics and visitor opinions about the services and facilities that the National Park Service provides in Acadia National Park.

The proposed information to be collected regarding visitors in this park is not available from existing records, sources, or observations.

Automated Data Collection: At the present time, there is no automated way to gather this information, since it includes asking visitors to evaluate services and facilities that they used during their park visit. The intrusion on visitors to the park is minimized by only contacting visitors during one 7–9 day period.

Description of Respondents: A sample of visitors to Acadia National Park.

Estimated Average Number of Respondents: 864.

Estimated Average Number of Responses: Each respondent will respond only one time, so the number of responses will be the same as the number of respondents.

Estimated Average Burden Hours Per Response: 12 minutes.

Frequency of Response: One time per respondent.

Estimated Annual Reporting Burden: 173 hours.
