### Bureau of Land Management

[AK-931-1310-00-NPRA]

#### Northeast National Petroleum Reserve-Alaska Draft Integrated Activity Plan/Environmental Impact Statement

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Announcement of public subsistence-related hearing.

**SUMMARY:** The Bureau of Land Management announces a public subsistence-related hearing concerning the Northeast National Petroleum Reserve-Alaska Draft Integrated Activity Plan/Environmental Impact Statement (IAP/EIS). The planning area is roughly bounded by the Colville River to the east and south, the Ikpikpuk River to the west and the Beaufort Sea to the north. The planning area includes Teshekpuk Lake and neighboring habitat used by migratory waterfowl important to southwest Alaska subsistence users.

Section 810 of the Alaska National Interest Lands Conservation Act requires the BLM to evaluate the effects of the alternative plans presented in this IAP/EIS on subsistence activities in the planning area, and to hold public hearings if it finds that any alternative might significantly restrict subsistence activities. The Association of Village Council Presidents has identified a potential of subsistence impacts in the Yukon-Kuskokwim Delta based upon activities that might affect migrating waterfowl on the Alaska North Slope. The Association of Village Council Presidents has requested a hearing in the Yukon-Kuskokwim Delta area. Therefore, the BLM is holding a public hearing on the date given below.

The IAP/EIS contains five alternatives for a land management plan for the 4.6 million-acre planning area and assessments of the impacts on the surface resources present there. These alternatives provide varying answers to two primary questions. First, will the BLM conduct oil and gas lease sales in the planning area and, if so, what lands

will be made available for leasing? Second, what protections and enhancements will be implemented for natural and cultural resources and the activities that are based on these resources? The public hearing noted below will be to receive comments on the potential subsistence impacts to users in the Yukon-Kuskokwim Delta. **DATES:** Oral and/or written comments may be presented at a public hearing to be held: May 12, 1998, 9 am; KVNA, Bethel, Alaska.

Any change to the hearing schedule will be accompanied by appropriate public notice.

**FOR FURTHER INFORMATION CONTACT:**

Gene Terland (907-271-3344; gterland@ak.blm.gov) or Jim Ducker (907-271-3369; jducker@ak.blm.gov). They can be reached by mail at the Bureau of Land Management (930), Alaska State Office, 222 West 7th Avenue, Anchorage, Alaska 99513-7599.

**SUPPLEMENTARY INFORMATION:** Authority for developing this IAP/EIS is derived from the Federal Land Policy and Management Act, the Naval Petroleum Reserves Production Act, and the National Environmental Policy Act. Authority for holding this hearing is derived from the Alaska National Interest Lands Conservation Act.

Copies of the draft IAP/EIS are available for public review at the Kuskokwim Consortium Library in Bethel, at the BLM Alaska State Office, 222 West 7th Avenue, #13, Anchorage, AK 99513, or through the internet at: <http://aurora.ak.blm.gov/npra/>.

## DEPARTMENT OF THE INTERIOR

### National Park Service

#### Submission of Study Package to Office of Management and Budget; Opportunity for Public Comment

**AGENCY:** Department of the Interior; National Park Service; and Acadia National Park.

**ACTION:** Notice and request for comments.

**ABSTRACT:** The National Park Service (NPS) Visitor Services Project and Acadia National Park propose to conduct visitor surveys to learn about visitor demographics and visitor opinions about services and facilities in Acadia National Park. The results of the surveys will be used by park managers

to improve the services they provide to visitors while better protecting park natural and cultural resources. A study package that includes the proposed survey questionnaire for the proposed Acadia National Park study has been submitted to the Office of Management and Budget for review.

**SUMMARY:** Under the provisions of the Paperwork Reduction Act of 1995 and 5 CFR part 1320, Reporting and Record Keeping Requirements, the NPS invites public comment on the proposed information collection request (ICR). Comments are invited on: (1) The need for the information including whether the information has practical utility; (2) the accuracy of the reporting burden estimate; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology. The purpose of the proposed ICR is to document the demographics of visitors to Acadia National Park, to learn about the motivations and expectations these visitors have for their park visit, and to obtain their opinions regarding services provided by the park and the suitability of the visitor facilities maintained in the park. This information will be used by park planners and managers to plan, develop, and operate visitor services and facilities in ways that maximize use of limited park financial and personnel resources to meet the expectations and desires of park visitors.

There were no public comments received as a result of publishing in the **Federal Register** a 60 day notice of intention to request clearance of information collection for this survey.

**DATES:** Public comments will be accepted on or before May 11, 1998.

**SEND COMMENTS TO:** Office of Information and Regulatory Affairs of OMB, Attention Desk Officer for the Interior Department, Office of Management and Budget, Washington, DC 20530; and also to: Margaret Littlejohn; Cooperative Park Studies Unit; Department of Forest Resources; College of Forestry, Wildlife and Range Sciences; University of Idaho; Moscow, ID 83844-1133.

**FOR FURTHER INFORMATION OR A COPY OF THE STUDY PACKAGE SUBMITTED FOR OMB REVIEW, CONTACT:**

Margaret Littlejohn, phone: 208-885-7863, fax: 208-885-4261, or email: [littlej@uidaho.edu](mailto:littlej@uidaho.edu).
