FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collections Submitted to OMB for Review and Approval

April 10, 1998.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104–13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commissions burden estimates; (c)ways to enhance the quality, utility, and clarity of the information collected and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before [insert date 30 days after date of publication in the FEDERAL REGISTER]. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Judy Boley, Federal Communications Commission, Room 234, 1919 M St., NW., Washington, DC 20554 or via internet to jboley@fcc.gov and Timothy Fain, OMB Desk Officer, 10236 NEOB 725 17th Street, NW., Washington, DC 20503 or fain_t@a1.eop.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Judy Boley at 202–418–0214 or via internet at jboley@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval No.: 3060-0798.

Title: Application for Wireless Telecommunications Bureau Radio Service Authorization.

Form No.: FCC 601.

Type of Review: Revision of an existing collection.

Respondents: Individuals or households; Businesses or other for profit; Not-for-profit institutions; State and Local or Tribal Government.

Number of Respondents: 240,320.

Estimated Hour Per Response: 1.25 hours per respondent. The Commission estimates 50 % of the respondents will hire a consultant to prepare the required information. The estimated time for coordinating with these consultants is 30 minutes per respondent. The estimated time for the remaining 50% of the respondents to complete the collection is 1.25 hours per response. This collection covers a wide variety of services and 1.25 represents an average time for completion.

Total Annual Burden: 210,280 hours.

Estimated Total Annual Costs: $30,340,000. This estimate includes costs incurred by 50% of the respondents hiring consultant to prepare the required information. The estimated costs for hiring these consultants is $200 per hour. This total also includes a $2.50 postage fee for the respondents not filing electronically.

Needs and Uses: FCC form 601 will be used as the general application for market based licensing and site-by site licensing in the Wireless Telecommunications SErvices. The purpose of this revisions is to include use by several more radio services, modify schedules and include additional services. This consolidated form will allow common fields, questions and statements to reside in one place and allow the technical data specificed in each service to be captured on its own form or schedule. This consolidated form will eventually replace existing forms used by WTB such as FCC 313, 313R, 402, 402R, 405, 405A, 406, 415, 464, 464A, 489, 494, 503, 452R, 574, 574R, 600 and 701.

Please note that the burden estimates in this notice differ from the estimates provided in the Notice published 63 FR 5521, February 3, 1998. The Commission is requesting clearance for services in addition to those proposed in that notice. Schedules have been added to the form to include Maritime Services (excluding ships), Aviation Services (excluding aircraft), Fixed Microwave Services, Broadcast Auxiliary Services, Private Land Mobile Radio Services, General Wireless Communications Services, Personal Communications Service, Public Mobile Services as well as the Cellular and Paging Radio Services that were published in the February notice.
