

segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease under the Recreation and Public Purpose Act and leasing under the mineral leasing laws.

For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested persons may submit comments regarding the proposed classification or lease of the lands to the Area Manager, Snake River Resource Area Office, 15 East 200 South, Burley, Idaho 83318.

CLASSIFICATION COMMENTS: Interested parties may submit comments involving the suitability of the land for a recreation area associated with the Twin Falls County Centennial Waterfront Park. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

APPLICATION COMMENTS: Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a recreation area.

Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification will become effective 60 days from the date of publication of this notice in the **Federal Register**.

Dated: April 13, 1998.

Tom Dyer,
Area Manager.
