Type of Review: Extension of a currently approved collection.

Respondents: Individuals or households; business or other for-profit; not-for-profit institutions; state, local or tribal governments.

Number of Respondents: 126,108.

Estimated Time Per Response: 2 hours average time per response. This time will vary with the number of transmitters considered, e.g., a site with a single transmitter might require one hour to determine compliance, while a site with many co-located transmitters may require considerably more time.

Frequency of Response: On occasion reporting requirement.

Cost to Respondents: \$3,115,000.

Total Annual Burden: 223,376 hours.
