Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a list of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these

documents, call the SAMHSA Reports Clearance Officer on (301) 443-7978.

Substance Abuse Prevention and Treatment Block Grant Application Format: FY 1999-2001-0930-0080 (Revision)—The Public Health Service Act (42 U.S.C. 300x21-35 & 51-64) authorizes block grants to States for the purpose of providing substance abuse prevention and treatment services. Under the provisions of the law, States may receive allotments only after an application is submitted and approved by the Secretary, DHHS. For the FY 1999 Substance Abuse Prevention and Treatment (SAPT) Block Grant cycle, SAMHSA will provide States with slightly modified application forms and instructions. These changes affect the portion of the application that asks for information related to section 1926 (sales of tobacco to minors). The application no longer requires a description of sampling methodologies and procedures for identifying and selecting tobacco outlets to be sampled throughout a State, unless a change to such methodologies or procedures has occurred in the previous year. The application provides for more detailed information on the results and validity

of the random unannounced inspections, and it will request greater detail on the number and results of actual enforcement activities that a State has undertaken. At the request of the Department, SAMHSA is including an additional tobacco-related question in Attachment 6 of the application. This question requires States to briefly describe collaboration between each State's Tobacco and Health Office (ASTHO representative) and Single State Authority for Substance Abuse (NASADAD representative). Because Federal funds for tobacco prevention and control efforts are, in most cases, awarded to different State-level agencies, it is necessary for the Department and SAMHSA to verify and understand interactions at the State level on youth tobacco prevention and enforcement. SAMHSA has modified the race/ethnicity categories in Form 9 to comply with recent revisions to OMB Directive No. 15. These modifications are not expected to increase respondent burden.

The annual burden estimate for the SAPT Block Grant Application Format is shown below:

	Number of respondents	Responses per respondent	Hours per response	Total hours
1 ¹		1	530	530
59		1	563	33,217
Total				33,747

¹ Red Lake Indian Tribe (exempt from Tobacco Regulation requirements).

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Daniel Chenok, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, D.C. 20503.

Dated: April 17, 1998.

Richard Kopanda,

Executive Officer, SAMHSA.
