SECURITIES AND EXCHANGE COMMISSION

[File No. 1-14138]

Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (RAPP International Finance Company B.V., 11½% Guaranteed Secured Notes Due 2000; 13¼% Guaranteed Secured Notes Due 2005)

April 17, 1998.

P.T. Riau Andalan Pulp & Paper ("Company"), of which RAPP International Finance Company B.V., is a subsidiary, has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the New York Stock Exchange, Inc. ("NYSE" or "Exchange").¹

The reasons cited in the application for withdrawing the Securities from listing and registration include the following:

The Securities are listed for trading on the Luxembourg Stock Exchange and, pursuant to a Registration Statement on Form 8-A that became effective at the time of issuance, the NYSE. Trading in the Securities commenced on the

Luxembourg Stock Exchange and the NYSE on December 15, 1995.

In August, 1997, the Company completed a tender offer and consent solicitation for any and all of the Securities at a premium over the price at which they were then trading. Pursuant to the consent solicitation, the Company asked the holders of the Securities to agree to substantial amendments to the Indenture under which the Securities has been issued. Among other things, the amendments removed from the Indenture covenants of the Company (i) to maintain listing of the Securities on the NYSE, and (ii) to continue to file reports with the Commission even if the Company was no longer subject to the Commission's reporting requirements. In its offering/solicitation document, the Company advised holders of the Securities that it intended to delist the Securities from the NYSE if the proposed amendments to the Indenture became operative.

As a result of the Company's tender offer, all but \$6 million of the originally issued and outstanding \$300 million in Securities were tendered by holders. These holders also consented to the proposed amendments to the Indenture. The Company has been unable to locate the holders who did not tender their Securities and consent to the proposed amendments, and the Company believes it would be impractical to locate them at the present time. Moreover, the Company believes the holders of the Securities are very small in number. In addition, the Company has represented that there is essentially no trading in, and therefore no market for, the Securities that remain outstanding.

On February 11, 1998, the NYSE advised the Company that it is the policy of the NYSE not to object the voluntary applications to delist securities such as the one filed by the Company.

The Company has stated that its application relates solely to the withdrawal from listing of the Securities on the NYSE and shall have no effect upon the continued listing of the Securities on the Luxembourg Stock Exchange.

Any interested person may, on or before May 8, 1998, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application

¹ This release supersedes a prior Commission Order, for File No. 1-14138, Release No. 34-39876, April 15, 1998, which listed P.T. Riau Andalan Pulp & Paper rather than RAPP International Finance Company B.V. as the issuer. This release clarifies that the Securities are listed under RAPP International Finance Company B.V. In light of this clarification, the Commission is republishing notice of this application.
