Great Eastern Energy and Development Corporation; Notice of Petition for Dispute Resolution

April 21, 1998.

Take notice that, on March 23, 1998, Great Eastern Energy and Development Corporation (Great Eastern) filed a petition requesting the Commission to resolve a dispute between Great Eastern and Panhandle Eastern Pipe Line Company (Panhandle) as to whether Great Eastern has any Kansas ad valorem tax refund liability to Panhandle on behalf of Patton Oil Company (Patton). The Commission, by order issued September 10, 1997, in Docket No. RP97-369-000 *et al.*,¹ on remand from the D.C. Circuit Court of Appeals,² required first sellers to refund the Kansas ad valorem tax reimbursements to the pipelines, with interest, for the period from 1983 to 1988. In its January 28, 1998 Order Clarifying Procedures, the Commission stated that producers (i.e., first sellers) could file dispute resolution requests with the Commission, asking the Commission to resolve the dispute with the pipeline over the amount of Kansas ad valorem tax refunds owed, see 82 FERC ¶ 61,059 (1998). Great Eastern's petition is on file with the Commission and open to public inspection.

Great Eastern contends that it has no Kansas ad valorem tax refund liability to Panhandle for the following reasons: (1) Great Eastern acquired Patton in 1985 and kept it as a wholly-owned subsidiary of Great Eastern, because Patton owed \$4,000,000 to Northern

² *Public Service Company of Colorado v. FERC*, 91 F.3d 1478 (D.C. 1996), cert. denied, Nos. 96-954 and 96-1230 (65 U.S.L.W. 3751 and 3754, May 12, 1997).

Trust of Chicago (Northern Trust); (2) in 1986; Great Eastern negotiated a purchase of the note from Northern Trust, whereupon Great Eastern became the holder of that note; (3) Patton was never merged into Great Eastern; and (4) in 1991, Great Eastern foreclosed on all of the properties that Patton had given to Northern Trust as security for the note, but took title to those properties in lieu of foreclosing, leaving Patton with no assets. Great Eastern adds that Patton no longer operates in the State of Kansas. In view of the above, Great Eastern contends that it should not be held liable for any Kansas ad valorem tax refunds owed by Patton.

Any person desiring to comment on or make any protest with respect to any of the above-referenced petitions should, on or before May 12, 1998, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to the proceeding, or to participate as a party in any hearing therein, must file a motion to intervene in accordance with the Commission's Rules.
