

Termination

The Department has considered all comments submitted by interested parties and has determined that this review should be terminated. Because Wolverine was the only party to request this review, and subsequently withdrew its request, and because we find that there are no other compelling reasons to continue this review, we are terminating this review.

The Department shall instruct the Customs Service to liquidate all appropriate entries. Shipments entered, or withdrawn from warehouse, for consumption during the January 1, 1993 through December 31, 1993, POR will be liquidated at the cash deposit rate in effect at the time of entry. Insofar as the final results for the more current POR, January 1, 1995, through December 31, 1995, were published prior to this termination notice, the cash deposit instructions contained in the notice covering the January 1, 1995 through December 31, 1995, POR will continue to apply to all shipments to the United States of subject merchandise entered, or withdrawn from warehouse, for consumption on or after April 8, 1997 (the date of publication of the final results of review covering the 1995 POR).

This notice also serves as final reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning disposition of proprietary information disclosed under APO in accordance with section 353.34(d) of the Department's regulations. Timely within notification of the return or destruction of APO materials is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is published in accordance with section 751(a)(1) of the Act and 19 CFR 353.22(a)(5).

Dated: April 15, 1998.

Maria Harris Tildon,

Acting Deputy Assistant Secretary, Import Administration.
