I. Background on the Texas Program

On February 16, 1980, The Secretary of the Interior conditionally approved the Texas program. General background information on the Texas program, including the Secretary’s findings, the disposition of comments, and the conditions of approval can be found in the February 27, 1980, Federal Register.

Texas submitted the proposed amendment in response to the February 27, 1980, Federal Register (45 FR 12998). Subsequent actions concerning the Texas program can be found at 30 CFR 943.10, 943.15, and 943.16.

II. Discussion of the Proposed Amendment

By letter dated December 1, 1997 (Administrative Record No. TX–644), Texas submitted a proposed amendment to its program pursuant to SMCRA. Texas submitted the proposed amendment in response to a June 17, 1997, letter (Administrative Record No. 640) that OSM sent to Texas in accordance with 30 CFR 732.17(c). Texas proposed to amend Chapter 12 of the Texas Administrative Code (TAC).

During its review of the amendment, OSM identified concerns relating to release of performance bond and backfilling and grading. OSM notified Texas of the concerns by letter dated February 12, 1998 (Administrative Record No. TX–644.06). Texas responded in a letter dated March 6, 1998 (Administrative Record No. TX–644.07), by submitting the following revisions to its proposed amendment:

1. § 12.309, Terms and Conditions of the Bond. Texas proposed the following new provision at § 12.309(1):

Persons with an interest in collateral posted as a bond, and who desire notification of actions pursuant to the bond, shall request the notification in writing to the Commission at the time collateral is offered.

2. § 12.312, Procedure for Seeking Release of Performance Bond. at § 12.312(b)(2), Texas proposed to replace citation references to “§ 12.313(c)” with citation references to “§ 12.313(d).”

3. § 12.387, Backfilling and Grading—This Overburden. Texas proposed the following new provision at § 12.387(2) to require the permittee to meet the requirements of §§ 12.385 and 12.386 (relating to Backfilling and Grading: Covering Coal and Acid- and Toxic-Forming Materials). Texas previously proposed only to require the permittee to meet the requirements of § 12.385.

4. § 12.388, Backfilling and Grading—Thick Overburden. Texas revised its proposal at § 12.388(2) to require the permittee to meet the requirements of §§ 12.385 and 12.386 (relating to Backfilling and Grading: Covering Coal and Acid- and Toxic-Forming Materials). Texas previously proposed only to require the permittee to meet the requirements of § 12.385.

5. 12.620, Prime Farmland—Applicability and Special Requirements. Texas withdrew the previously proposed revisions to this section of its regulations.

III. Public Comment Procedures

OSM is reopening the comment period on the proposed Texas program amendment to provide the public an opportunity to reconsider the adequacy of the proposed amendment in light of the additional materials submitted. In accordance with the provisions of 30 CFR 732.17(h), OSM is seeking comments on whether the proposed amendment satisfies the applicable program approval criteria of 30 CFR 732.15. If the amendment is deemed adequate, it will become part of the Texas program.

Written Comments

Written comments should be specific, pertain only to the issues proposed in this rulemaking, and include explanations in support of the commenter’s recommendations.

IV. Procedural Determinations

Executive Order 12866

This proposed rule is exempted from review by the Office of Management and Budget (OMB) under Executive Order 12866 (Regulatory Planning and Review).

Executive Order 12988

The Department of the Interior has conducted the reviews required by section 3 of Executive Order 12988 (Civil Justice Reform) and has determined that, to the extent allowed by law, this rule meets the applicable standards of subsections (a) and (b) of that section. However, these standards are not applicable to the actual language of State regulatory programs and program amendments since each such program is drafted and promulgated by a specific State, not by OSM. Under sections 503 and 505 of SMCRA (30 U.S.C. 1253 and 1255) and 30 CFR 730.11, 732.15, and 732.17(h)(10), decisions on proposed State regulatory programs and program amendments submitted by the States must be based solely on a determination of whether the submittal is consistent with SMCRA and its implementing Federal regulations and whether the other requirements of 30 CFR Parts 730, 731, and 732 have been met.

National Environmental Policy Act

No environmental impact statement is required for this rule since section 702(d) of SMCRA (30 U.S.C. 1292(d)) provides that agency decisions on proposed State regulatory program provisions do not constitute major Federal actions within the meaning of section 102(2)(C) of the National Environmental Policy Act (42 U.S.C. 4332(2)(C)).

Paperwork Reduction Act

This rule does not contain information collection requirements that require approval by OMB under the Paperwork Reduction Act (44 U.S.C. 3507 et seq.).

Regulatory Flexibility Act

The Department of the Interior has determined that this rule will not have a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 et seq.). The State submittal which is the subject of this rule is based upon counterpart Federal regulations for which an economic analysis was prepared and certification made that such regulations would not have a significant economic impact upon a substantial number of small entities.

Accordingly, this rule will ensure that existing requirements previously promulgated by OSM will be implemented by the State. In making the determination as to whether this rule would have a significant economic impact, the Department relied upon the data and assumptions for the counterpart Federal regulations.

Unfunded Mandates

OSM has determined and certifies pursuant to the Unfunded Mandates Reform Act (2 U.S.C. 1502 et seq.) that this rule will not impose a cost of $100 million or more in any given year on local, state, or tribal governments or private entities.

Claims and Effective Dates for the Award of Educational Assistance

AGENCIES: Department of Defense, Department of Transportation (Coast Guard), and Department of Veterans Affairs.

ACTION: Proposed rule.

SUMMARY: This document proposes to amend the educational assistance and educational benefit regulations of the Department of Veterans Affairs (VA). It proposes a standard for determining what constitutes a formal claim, an informal claim, and an abandoned claim that can be applied uniformly to the educational assistance programs VA administers. In addition, it proposes less restrictive effective dates for awards of educational assistance; proposes uniform time limits for acting to complete claims; and proposes to state VA's responsibilities when a claim is filed. It appears that this rule will result in a more uniform adjudication of claims for educational assistance under each of the education programs VA administers.

DATES: Comments must be received on or before June 29, 1998.

ADDRESSES: Mail or hand deliver written comments to Director, Office of Regulations Management (02D), Department of Veterans Affairs, 810 Vermont Avenue NW, Room 1154, Washington, DC 20420. Comments should indicate that they are submitted in response to “RIN 2900-AH76.” All written comments received will be available for public inspection at the above address in the Office of Regulations Management, Room 1158, between the hours of 8 a.m. and 4:30 p.m., Monday through Friday (except holidays).

SUPPLEMENTARY INFORMATION:

Regulations concerning VA-administered educational assistance and educational benefits are contained in 38 CFR Part 21. Rules governing time limits for filing claims or completing claims are contained in subparts B, C, G, H, K, and L. Each rule is applicable to one of the educational programs VA administers. Although there is no statutory reason why the rules could not be identical, they are not. This proposed rule would put one set of regulations concerning time limits in subpart B and apply them to all the educational programs VA administers. This would result in the following changes.

Regulations governing the Post-Vietnam Era Veterans’ Educational Assistance Program (VEAP) do not permit extension of time limits to act to perfect a claim or to challenge an
