

SUPPLEMENTARY INFORMATION: The National Civilian Community Corps is an AmeriCorps program of the Corporation for National and Community Service. NCCC manages teams of young adults to conduct service projects across the nation. Teams include approximately twelve 18–24 year old men and women of diverse social, economic, and educational backgrounds, and a trained team leader. Projects are typically 6 to 8 weeks in duration; the period of service for larger, more complex projects can be extended.

Eligibility

Private nonprofit organizations, governmental entities at the federal, state, and local levels, educational institutions, community-based organizations, and Native American Tribal Councils are eligible to submit proposals. Proposals are accepted, reviewed, and approved with consideration for compelling need, geographical distribution, availability of teams, and NCCC costs related to team deployment.

Cost

There is no charge for the services of an NCCC team or its transportation; however, collaborating organizations are expected to provide the necessary materials, equipment, and technical supervision for projects, as well as assist with food and lodging if the project is beyond a reasonable commuting distance from the NCCC campus. NCCC does not provide financial grants of any kind in association with this program.

Addresses

For interested organizations in Connecticut, Delaware, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Rhode Island, and Vermont, contact: AmeriCorps*NCCC Northeast Region Campus, Attn: Ms. LaQuine Roberson, Director of Projects and Training, P.O. BILLING CODE 6050–28–P

DEPARTMENT OF DEFENSE

Department of the Army

Army Science Board; Open Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92–463), announcement is made of the following Committee Meeting:

Name of Committee: Army Science Board (ASB).

Date of Meeting: May 11, 1998.

Time of Meeting: 0830–1630.

Place: Fort Meade, MD.

Agenda: The Army Science Board's (ASB) Issue Group Panel on "Review of Risk Assessment Methodology for Proposed DoD Range Rule" will meet to review the U.S. Army Corps of Engineers OECerts Model for assessing risk. This meeting will be open to the public. Any interested person may attend, appear before, or file statements with the committee at the time and in the manner permitted by the committee. For further information, please contact our office at (703) 604–7490.

Wayne Joyner,

Program Support Specialist Army Science Board.
