SUPPLEMENTARY INFORMATION:**I. Abstract**

The Age Search is a service provided by the Census Bureau for persons who need transcripts of personal data as proof of age for pensions, retirement plans, medicare, or social security benefits. Transcripts are also used as proof of citizenship to obtain passports or to provide evidence of family relationship for rights of inheritance. The Age Search forms gather information necessary for the Census Bureau to make a search of its historical population census records in order to provide the requested transcript.
