SUPPLEMENTARY INFORMATION:

I. Abstract

Each year, the Census Bureau sends the School Enrollment Report, P-4 form to the 40 state departments of education that do not publish enrollment data early enough in the year for us to use their published reports. Information requested includes fall public and nonpublic enrollment by grade for the state and selected counties. In six states we collect year-end enrollment. The Census Bureau uses school enrollment data in preparing estimates of state population. State population estimates are used by dozens of Federal agencies for allocating Federal program funds, as bases for rates of occurrences, and as
