#### Notice of Inventory Completion for Native American Human Remains and Associated Funerary Objects from Southern Arizona in the Possession of the California Department of State Parks, Sacramento, CA

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 43 CFR 10.9, of the completion of an inventory of human remains and associated funerary objects in the possession of the California Department of State Parks, Sacramento, CA.

A detailed assessment of the human remains was made by California

Department of Parks and Recreation (DPR) professional staff in consultation with representatives of the Ak-Chin Indian Community of Papago Indians of the Maricopa, the Gila River Pima-Maricopa Indian Community of the Gila River Indian Reservation, the Pueblo of Zuni, the Salt River Pima-Maricopa Indian Community of the Salt River Reservation, the Hopi Tribe, and the Tohono O'odham Nation.

In 1963, human remains representing one individual were purchased as part of a large Native American collection from John M. Sheedy by the DPR. No known individuals were identified. The five associated funerary objects include an cremation olla and pieces of charcoal.

The majority of the collection of which these human remains were a part was collected between 1880-1915 by Charles Wilcomb from several museums. The remainder of the collection were collected by various members of the Hall and Sheedy family. Donor information indicates this olla with human remains was collected at an unknown site in Southern Arizona. Based on manner of interment, these human remains have been identified as Native American. The form and style of the olla is consistent with Hohokam practice in Southern Arizona during 300 B.C. to 1450 A.D. Consultation evidence provided by the Ak-Chin Indian Community of Papago Indians of the Maricopa, the Gila River Pima-Maricopa Indian Community of the Gila River Indian Reservation, the Pueblo of Zuni, the Salt River Pima-Maricopa Indian Community of the Salt River Reservation, the Hopi Tribe, and the Tohono O'odham Nation indicates these Indian tribes are the present-day descendants of the Hohokam in Southern Arizona.

Based on the above mentioned information, officials of the California Department of Parks and Recreation have determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of one individual of Native American ancestry. Officials of the California Department of Parks and Recreation have also determined that, pursuant to 43 CFR 10.2 (d)(2), the five objects listed above are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony. Lastly, officials of the California Department of Parks and Recreation have determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains

and associated funerary objects and the Ak-Chin Indian Community of Papago Indians of the Maricopa, the Gila River Pima-Maricopa Indian Community of the Gila River Indian Reservation, the Pueblo of Zuni, the Salt River Pima-Maricopa Indian Community of the Salt River Reservation, the Hopi Tribe, and the Tohono O'odham Nation.

This notice has been sent to officials of the Ak-Chin Indian Community of Papago Indians of the Maricopa, the Gila River Pima-Maricopa Indian Community of the Gila River Indian Reservation, the Pueblo of Zuni, the Salt River Pima-Maricopa Indian Community of the Salt River Reservation, the Hopi Tribe, and the Tohono O'odham Nation.

Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains and associated funerary objects should contact Robert M. Wood, NAGPRA Coordinator, California Department of Parks and Recreation, 1416 9th Street, Room 1431, Sacramento, CA 95814; telephone (916) 653-7976; before June 4, 1998. Repatriation of the human remains and associated funerary objects to the culturally affiliated tribes may begin after that date if no additional claimants come forward.

Dated: April 29, 1998.
