#### Proposed Collection; Comment Request: Organ Procurement Survey

**SUMMARY:** In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, which provides for an opportunity for public comment on proposed data collection projects, the Department of Clinical Bioethics (DCB), National Institutes of Health (NIH) will publish periodic summaries of proposed projects to be submitted to the Office of Management and Budget (OMB) for review and approval.

#### Proposed Collection

The Department of Clinical Bioethics, Warren Grant Magnuson Clinical Center (CC), National Institutes of Health (NIH), intends to seek approval to conduct a survey aimed at United States organ procurement organizations and transplant surgeons. The survey asks for information about procedures used for organ donation and implementation of wishes specified in advance care directives. The data collected will help the NIH to serve patients and research subjects who are enrolled in protocols at the CC and are interested in the option of organ donation and the impact of including organ donation provisions in advance care directives. The data collected will also assist the respondents in understanding the practice of organ donation nationwide. The results of the survey will be reported confidentially, in the aggregate and stripped of individual identifiers.

*Estimate of burden:* Public reporting burden for this collection of information is estimated to average 30 minutes per respondent:

*Respondents:* United States organ procurement organization and transplant surgeons.

*Estimated number of respondents:* 198.

*Estimated total annual burden on respondents:* 99 hours.
