Title: Debt Collection Financial Statement.

Form Number: 22-13, Debt Collection Financial Statement

Type of Collection: Reinstatement, with change, of a previously approved collection for which approval has expired.

OMB Number: 3067-0122.

Abstract: Under FEMA's debt collection regulations, 44CFR 11.36(b), Debt Collections Officers (DCO's) are required to maintain current credit data on FEMA debtors. The data collected will also allow the FEMA DCO to make the determination whether FEMA should suspend or terminate efforts or compromise the respondents debts. Information requested from the debtor on FEMA Form 22-13 is voluntary. However, if the debtor does

not provide the information requested by FEMA, the DCO may use more severe collections methods.

Changes in the total estimated burden hours are due to an increase in the number of users of the form; no changes have been made to the information provided in the form, which is used to make determinations or the suspension, termination efforts, or compromise of debts.

Affected Public: Individuals and households.
