**ANR Pipeline Company; Notice of  
Proposed Change in FERC Gas Tariff**

May 6, 1998.

Take notice that on May 1, 1998, ANR Pipeline Company (ANR) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheets proposed to be effective June 1, 1998:

Twenty-second Revised Sheet No. 17  
Third Revised Sheet No. 140

ANR states that this filing represents ANR's annual report of the net revenues attributable to the operation of its cashout program. This filing covers the period January 1, 1997 to December 31, 1997. The Net Cashout Activity for the 12-month period ending December 31, 1997 resulted in a net balance of (\$1,461,898). This amount is added to the balance of (\$3,162,904) from ANR's previous cashout report plus carrying charges of (\$542,459), for a cumulative net cashout balance of (\$5,167,261). ANR has computed the cashout price surcharge pursuant to Section 15.5(b) of the General Terms & Conditions of its tariff. The cashout price surcharge of \$0.1211 will be subtracted from the cashout price where excess quantities are being cashed out (purchased), and will be added to the cashout price where deficient quantities are being cashed out (sold), consistent with ANR's approved tariff mechanism.

Any person desiring to be heard or to protest this filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
