

Clean Air Act forbids EPA to base its actions concerning SIPs on such grounds. *Union Electric Co. versus U.S. EPA*, 427 U.S. 246, 255-66 (1976); 42 U.S.C. 7410(a)(2).

Unfunded Mandates

Under section 202 of the Unfunded Mandates Reform Act of 1995 ("Unfunded Mandates Act"), signed into law on March 22, 1995, EPA must prepare a budgetary impact statement to accompany any proposed or final rule that includes a federal mandate that may result in estimated costs to State, local, or tribal governments in the aggregate; or to private sector, of \$100 million or more. Under section 205, EPA must select the most cost-effective and least burdensome alternative that achieves the objectives of the rule and is consistent with statutory requirements. Section 203 requires EPA to establish a plan for informing and advising any small governments that may be significantly or uniquely impacted by the rule.

EPA has determined that the approval action proposed does not include a federal mandate that may result in estimated costs of \$100 million or more to either State, local, or tribal governments in the aggregate, or to the private sector. This federal action approves pre-existing requirements under State or local law, and imposes no new federal requirements. Accordingly, no additional costs to State, local, or tribal governments, or to the private sector, result from this action.

The Regional Administrator's decision to approve or disapprove the SIP revision will be based on whether it meets the requirements of section 110(a)(2)(A)-(K) of the Clean Air Act, as amended, and EPA regulations in 40 CFR Part 51.

The Congressional Review Act

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the **Federal Register**. This rule is not a "major rule" as defined by 5 U.S.C. 804(2).

Approval and Promulgation of Air Quality Implementation Plans; Maryland; Definition of the Term "Major Stationary Source of VOC"

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

If EPA receives relevant adverse comments, the direct final rule will not take effect and all public comments received will be addressed in a subsequent final rule based on this proposed rule. The EPA will not institute a second comment period on this proposal. Any parties interested in commenting on this proposal should do so at this time.

Medicare Program; Changes to the Hospital Inpatient Prospective Payment Systems and Fiscal Year 1999 Rates; Corrections

AGENCY: Health Care Financing Administration (HCFA), HHS.

ACTION: Proposed rule; correction.

SUMMARY: In the May 8, 1998 issue of the **Federal Register** (63 FR 25575), we published a proposed rule to revise the Medicare hospital inpatient prospective payment systems for operating costs and capital-related costs to implement necessary changes arising from our continuing experience with the system. This document corrects technical errors made in that document.

FOR FURTHER INFORMATION CONTACT:

Nancy Edwards, (410) 786-4531, Operating Prospective Payment, DRG, and Wage Index Issues.

Tzvi Hefter, (410) 786-4487, Capital Prospective Payment, Excluded Hospitals, and Graduate Medical Education Issues.

SUPPLEMENTARY INFORMATION: In the May 8, 1998 proposed rule, we addressed caps on the target amounts for cost reporting periods beginning in FY 1999 for hospitals excluded from the hospital inpatient prospective payment systems. The caps that we published inadvertently reflect updates to the amounts published in the August 29, 1997 final rule with comment period (62 FR 46019), rather than updates to the corrected amounts published in the March 6, 1998 correction notice for the final rule with comment period (63 FR 11148). This document corrects that error. Also incorrect amounts were listed in Tables 1A, 1C, 1D, 1E, and 1F. We inadvertently published the amounts from the August 29, 1997 final rule with comment period. Therefore, we are making the following corrections to the proposed rule:

1. On page 25601, end of the third column, the table is replaced with the following:

(1) Psychiatric hospitals and units: \$10,797

(2) Rehabilitation hospitals and units: \$19,582

(3) Long-term care hospitals: \$38,630

2. On pages 25620 through 26521, Tables 1A, 1C, 1D, 1E, and 1F are corrected to read as follows:
