

message on quality to organizations and consumers.

- To make the most efficient use of available quality measurement and improvement tools, while allowing sufficient flexibility to incorporate new developments in the rapidly advancing state of the art.

To support the development of QISMC, HCFA contracted with the National Academy for State Health Policy to produce a conceptual framework for a unified Medicare-Medicaid quality oversight system, a set of quality standards for managed care organizations, and interpretive guidelines for these standards.

The National Academy for State Health Policy gave selected individuals and organizations the opportunity to comment on a review draft of the QISMC document in January 1998, and the breadth and depth of the comments received have convinced us that further investigation is necessary before we make any final policy decisions. Therefore, we have decided to give all interested parties an opportunity to comment on the review draft of the QISMC document.

At this time, the QISMC standards are not binding on Medicare and Medicaid managed care organizations. However, we intend to draw upon the QISMC document in establishing regulatory quality assurance requirements under Medicaid managed care and Medicare+Choice regulations yet to be published.

**II. Issues To Be Resolved**

As mentioned, we have already received comments from selected individuals and organizations on the review draft of the QISMC document. However, to ensure that we consider the full range of public opinion, we are using this notice as a vehicle to inform the general public that now it too has an opportunity to comment on the review draft of the QISMC document. We will consider written public comments that are received timely as we finalize the QISMC document.

The review draft of the QISMC document is available on our internet web site (<http://www.hcfa.gov/quality/qlty-3e.htm>). Although we welcome comments on all aspects of the draft, we are particularly interested in comments on certain issues identified as especially significant in comments received during the January 1998 comment period. These issues will be identified on our internet web site as well.

For those unable to access the QISMC document via the internet, hard copies may be obtained by calling Ms.

Bronwyn Price of Casals and Associates, Inc. (C & A) at (703) 920-1234.

**III. May 26, 1998 Public Meeting**

In addition to seeking written comments from the public, we will hold a public meeting on Tuesday, May 26, 1998, from 8:30 a.m. to 3:30 p.m., in our auditorium at 7500 Security Boulevard, Baltimore, Maryland. In the morning, we will hold a plenary session devoted to general information about QISMC. In the afternoon, we will convene three breakout sessions: the first devoted to technical aspects of quality improvement activities, such as setting minimum performance levels and establishing the phase-in; the second devoted to issues relating to quality monitoring (such as deeming and external review); and the third devoted to issues affecting HCFA and the State Medicaid agencies in their roles as purchasers.

Because seating is limited, attendees must register for the meeting in advance. Registration must be made by May 18. In order to obtain a registration form for this meeting, please contact Ms. Jennifer Fink at C & A. Ms. Fink can be reached via telephone, (703) 920-1234; fax, (703) 920-5750; or email, [jfink@casals.com](mailto:jfink@casals.com). Once your registration form has been received and processed, C & A will provide you with a confirmation form. You must bring the confirmation form with you in order to be guaranteed participation in the meeting. C & A will also provide you with directions to HCFA Central Office.

(Section 1102 and 1871 of the Social Security Act (42 U.S.C. 1302 and 1395hh))

(Catalog of Federal Domestic Assistance Program No. 93.773, Medicare—Hospital Insurance; and Program No. 93.774, Medicare—Supplementary Medical Insurance Program)

Dated: May 4, 1998.

**Nancy-Ann Min DeParle,**

BILLING CODE 4120-01-P

**DEPARTMENT OF HEALTH AND HUMAN SERVICES**

**Office of Inspector General**

**Program Exclusions: April 1998**

**AGENCY:** Office of Inspector General, HHS.

**ACTION:** Notice of program exclusions. During the month of April 1998, the HHS Office of Inspector General imposed exclusions in the cases set forth below. When an exclusion is

imposed, no program payment is made to anyone for any items or services (other than an emergency item or service not provided in a hospital emergency room) furnished, ordered or prescribed by an excluded party under the Medicare, Medicaid, and all Federal Health Care programs. In addition, no program payment is made to any business or facility, e.g., a hospital, that submits bills for payment for items or services provided by an excluded party. Program beneficiaries remain free to decide for themselves whether they will continue to use the services of an excluded party even though no program payments will be made for items and services provided by that excluded party. The exclusions have national effect and also apply to all Executive Branch procurement and non-procurement programs and activities.
