SUPPLEMENTARY INFORMATION:

I. Abstract

The National Performance Review (NPR) conducted by Vice President Gore outlined several objectives, including improving the Federal acquisition process. Along with the NPR objectives are associated Administration initiatives, such as greater emphasis on contractor's past performance;

expanding the use of alternative disputes' resolution procedures; and improving communications overall between industry and government. The Department of Commerce (DOC) has developed a program that is philosophically consistent with NPR, known as the Partners in Quality Contracting (PQC) Program. PQC is a creative nonmonetary recognition program that showcases the importance of quality in the government acquisition process. It is intended as an effective yet inexpensive means of recognizing quality performance from both DOC contractors and acquisition personnel. The information collected is used to determine qualifications of applicants by DOC for purposes of recognizing DOC contractors and acquisition personnel who have promoted excellence in contracting through quality performance. The DOC PQC Evaluation Committee will be an independent committee, comprised of DOC employees from key functional areas. The universe of applicants includes all DOC contractors that have performed a DOC contract valued during the previous fiscal year at or above \$100,000, if a large business, \$50,000 or above, if a small one. A small business is defined as "a business, including an affiliate, that is independently owned and operated, is not dominant in producing or performing the supplies or services being purchased, and has no more than 500 employees." Eligible contractors would "self nominate" through the submission of a company profile than an application that would be independently evaluated against pre-established criteria. Finalists would be site visited, as appropriate, by a government team before the final selections are made. Award recipients will be selected by consensus of the Committee. Award recipients will be invited to send representatives to attend an award reception.
