Agenda: On June 23 and 24, 1998, the committee will focus on both safety/efficacy and quality topics with a bridging topic (exposure). Specific topics to be discussed include: (1) Nonclinical/nonhuman pharmacology/toxicology research programs to support the drug development and registration process, (2) in vitro drug metabolism to support guidance updating, (3) the revision of the guidance for scale-up and post-approval changes for immediate release drug products, and (4) complex drug substances.

Procedure: Interested persons may present data, information, or views, orally or in writing, on issues pending before the committee. Written submissions may be made to the contact person by June 16, 1998. Oral presentations from the public will be scheduled between approximately 10:30 a.m. and 11 a.m. on June 23, 1998, and between approximately 10:15 a.m. and 10:45 a.m. on June 24, 1998. Time allotted for each presentation may be limited. Those desiring to make formal presentations should notify the contact person before June 16, 1998, and submit a brief statement of the general nature of the evidence or arguments they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation.

Notice of this meeting is given under the Federal Advisory Committee Act (5 U.S.C. app. 2).

Dated: May 11, 1998.
