DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[AZ-070-07-1230-00; 8371]

Arizona: Lake Havasu Shoreline Project for 1998-1999 and Subsequent Use Seasons; Establishment of Fee Campsites and Supplementary Rules, Lake Havasu Field Office, Arizona

AGENCY: Bureau of Land Management, Interior.

ACTION: Establishment of fees and supplementary rules for the use of boat-access shoreline campsites along Lake Havasu, a manmade lake on the Arizona/California state line.

SUMMARY: The Bureau of Land Management (BLM) Lake Havasu Field Office announces establishment of the Lake Havasu Shoreline Project. The program, initiated in 1997, manages the shoreline riparian area. It includes the preexisting shoreline camp sites as federal fee camp sites under the authorities described in 36 CFR part 71. The camp sites had been developed as designated fee sites by the Arizona State Parks Department while these lands were under a lease from the Bureau of Land Management. The lease was voluntarily terminated, leaving the developed sites to return to the jurisdiction of the BLM.

EFFECTIVE DATE: May 15, 1998.

FOR FURTHER INFORMATION CONTACT: Don Applegate, Project Manager, Lake Havasu Field Office, 2610 Sweetwater Avenue, Lake Havasu City, Arizona, 86406, telephone (520) 505-1244; E-mail dappleg@az.blm.gov.

SUPPLEMENTARY INFORMATION: The primary purpose of the Shoreline Project is to provide long-term areas for boating and camping use. The sites designated as campsites are, in most cases, the traditional use areas of boat camping visitors. Designated sites were selected by Arizona State Parks using criteria based on visitor use patterns, availability of shoreline access, and a need to establish sanitation facilities in heavily-used riparian areas.

This program is being established to safely and properly accommodate the increasing demand for boat camping visits and to provide natural resource protection through improved management of the camping use and the riparian area. The designation of fee campsites assures that specific locations are available for such use year after year.

Authority for the designation of fee campsites is contained in Title 43, Code of Federal Regulations, Part 8360, Subpart 8365, Sections 2 and 2-3.
