

Oklahoma and Chattanooga-Hamilton County have shown good faith in developing and committing to submit their Plans in an expedited manner. Based on EPA's analysis of the State and local air pollution agency requests, Arkansas and Oklahoma and Chattanooga-Hamilton County are granted extensions until July 31, 1998. The memorandum, *Supplemental Justification for Extending Municipal Solid Waste Landfill Section 111(d) Plan Submittals*, mentioned previously, documents the States' efforts and explains why EPA is granting an extension for the section 111(d) Plan submittals to these States' and locality's air pollution agencies.
