

Commission and open to public inspection.

Applicant proposes to construct and install two eight-inch tap vales, an eight-inch check valve and related piping on Applicant's existing twenty-four-inch Line No. One in Dunklin County, Missouri. Applicant also proposes to install, or cause to be installed, dual eight-inch meter runs, a single two-inch meter run and associated piping and valves, 350 feet of ten-inch connecting pipe, and electronic gas measurement equipment, (EGM). Applicant asserts that it will be reimbursed 100 per cent by AECI for the costs and expenses that Applicant will incur for the design, material procurement and installation of the tap, meter station, connecting pipe and EGM, including an allowance for federal income taxes.

Applicant states that the transportation service will be rendered pursuant to Applicant's Rate Schedule IT-1. Applicant asserts that its tariff does not prohibit the addition of this facility. Applicant submits that the installation of the delivery point will have no impact on Applicant's peak day or annual deliveries. Applicant further asserts that this proposal will be accomplished without detriment or disadvantage to Applicant's other customers.

Any person or the Commission's Staff may, within 45 days of the issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.214), a motion to intervene and pursuant to Section 157.205 of the regulations under the Natural Gas Act (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefor, the proposed activities shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
