BILLING CODE 4310-70-P

DEPARTMENT OF THE INTERIOR**National Park Service****Notice of Receipt of Applications Received for Access to National Park Service Property for the Siting of Mobile Services Antennas**

AGENCY: National Park Service, Department of the Interior.

ACTION: Public notice of the receipt of an application for a right-of-way permit for a wireless telecommunications facility and the acceptance of public comment.

SUMMARY: Public Notice is hereby given that the National Park Service has received two applications from Bell Atlantic Mobile for a right-of-way permit to construct, operate and maintain a wireless telecommunications site within Rock Creek Park.

One application is for the Fitzgerald Tennis Center. The proposed facility consists of an antenna incorporated into the existing Tennis Center lights, which would raise the light pole height from the current 50 feet, to 78 feet to 100 feet. Additionally, there is a proposed 12 feet by 30 feet shelter to house associated equipment.

The second application is for the Rock Creek Maintenance Facility. The proposed facility includes installation of a 100 foot monopole. There is a
