Public Land Order No. 7330; Modification and Partial Revocation of 9 Executive Orders, 17 Secretarial Orders, and 8 Bureau of Land Management Orders; Wyoming

AGENCY: Bureau of Land Management, Interior.

ACTION: Public Land Order.

SUMMARY: This order modifies 9 Executive orders, 17 Secretarial orders, and 8 Bureau of Land Management Orders to establish a 20-year term as to 15,503.70 acres of public lands withdrawn for Bureau of Land Management public water reserves. These withdrawals are also modified to allow for nonmetalliferous mining location on all but 170 acres of the 15,503.70 acres. This order also partially revokes the above orders insofar as they affect 30,023.80 acres of public lands withdrawn for Bureau of Land Management public water reserves. These lands do not meet the criteria for a public water reserve. This action will open the 30,023.80 acres to surface entry and nonmetalliferous mining. All of the lands have been and will remain open to metalliferous mining location and to mineral leasing.
