Agency Information Collection Activities: Comments Request; Title of Collection: Cross Projects Evaluation of the Local Systemic Change Through Teacher Enhancement Program

AGENCY: National Science Foundation.

ACTION: Notice.

SUMMARY: The National Science Foundation (NSF) is announcing plans to request renewal of this collection. In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, we are providing opportunity for public comment on this action. After obtaining and considering public comment, NSF will prepare the submission requesting OMB clearance of this collection for no longer than 3 years.

SEND COMMENTS TO: Gail A. McHenry, Reports Clearance Officer, National Science Foundation, 4201 Wilson Boulevard, Suite 245, Arlington, Virginia 22230 or send email to gmchenry@nsf.gov. Written comments should be received within 60 days of the date of this notice.

FOR FURTHER INFORMATION CONTACT: Mrs. McHenry on (703) 306-1125 x2010 or send email to gmchenry@nsf.gov. You may also obtain a copy of the data collection instrument and instructions from Mrs. McHenry.

Comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information shall have practical utility; (b) the accuracy of the Agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents, including the use of automated collection techniques or other forms of information technology.

Renewal Project: The current National Science Foundation Local Systemic Change Teacher and Principal Questionnaires have been in use for three years. This program provides funds for the initiation of systemic efforts that will result in K-12 teachers making significant progress toward national goals for the teaching of science, mathematics, and technology.

Use of Information: Information obtained will provide the Foundation with a common set of evaluation data from all projects in order to evaluate individual projects, aggregate data and information across projects; and produce cross-project analyses.

Burden on the Public: There are currently 55 projects. A sample of 300 science or mathematics teachers per project will complete the Teacher Questionnaire (approximately 20 minutes) and an average of 60 principals per project will complete the Principal Questionnaire (approximately 20 minutes). Each project will conduct one-half hour interviews with each of 10 teachers.

Dated: May 21, 1998.

Gail A. McHenry,

Reports Clearance Officer.
