## UNITED STATES INFORMATION AGENCY

### Determination To Close a Portion of the Advisory Board Meeting of May 27, 1998

Based on information provided to me by the Advisory Board for Cuba Broadcasting, I hereby determine that the 1:00 p.m. to 2:00 p.m. portion of this meeting should be closed to the public.

The Advisory Board has requested that part one of this meeting be closed to the public. Part one will involve technical information about new frequency testing and TV transmission, the premature disclosure of which would likely frustrate implementation of a proposed Agency action. Closing such deliberations to the public is justified by the Government in the Sunshine Act under 5 U.S.C. 552b(c)(9)(B). Part one will also involve discussions of internal Agency and Board procedures, which is a basis for closing under 5 U.S.C. 552b(c)(2).

Dated: May 21, 1998.

**Joseph Duffey,**

*Director, United States Information Agency.*
