National Fuel Gas Supply Corporation; Notice of Proposed Changes in FERC Gas Tariff

June 2, 1998.

Take notice that on May 29, 1998, National Fuel Gas Supply Corporation (National) tendered for filing as part of its FERC Gas Tariff, Fourth Revised Volume No. 1, Fifth Revised Sheet No. 8, with a proposed effective date of July 1, 1998.

National states that this filing reflects the quarterly adjustment to the reservation component of the EFT rate pursuant to the Transportation and Storage Cost Adjustment (TSCA) provision set forth in Section 23 of the General Terms and Conditions of National's FERC Gas Tariff.

In addition, National states that the filing reflects National's agreement to buyout the final two years of transportation service under Tennessee Gas Pipeline Company (Tennessee) Contract No. 7394. The buyout agreement with Tennessee terminates the Contract two years early, effective at the end of October 1998. The buyout will save National's EFT customers approximately \$750,000.00.

Any person desiring to be heard or to protest this filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public
