DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Notice of Publication of Biennial Report to the Congress on the Status of Children in Head Start Programs; Fiscal Year 1997

AGENCY: Head Start Bureau, Administration on Children Youth and Families, ACF, DHHS.

ACTION: Notice of publication and availability of FY 1997 Biennial Report to Congress on the Status of Children in Head Start Programs.

SUMMARY: The Head Start Bureau announces publication of the Biennial Report to Congress on the Status of Children in Head Start Programs. This report is mandated under Section 650 of the Head Start Act, as amended, which requires the Secretary of Health and Human Services to submit a report to the Congress, at least once during every two-year period, on the status of children in Head Start programs. The sources of data for this report were the Program Information Report (PIR), the Head Start Cost System (HSCOST), the Head Start Monitoring Tracking System (HSMTS) and the 1990 Census.

Head Start is a comprehensive child development program for low-income preschool children and their families. Head Start provides high quality early childhood education which emphasizes cognitive and language development, social and emotional development, physical and mental health, nutrition, social services and parent involvement. The goal of Head Start is to bring about

a greater degree of social competence in the children of low-income families by enhancing their effectiveness in dealing with their present environment, and with later responsibilities in school and life.
