CNG Transmission Corporation; Notice of Tariff Compliance Filing

June 8, 1998.

Take notice that on June 3, 1998, CNG Transmission Corporation tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, 2nd Substitute Second Revised Sheet No. 361A, with a proposed effective date of June 15, 1998.

CNG states that this filing is being made pursuant to a conversation with

FERC staff regarding the correct pagination of "duplicately numbered" tariff sheet from CNG's May 29, 1998 compliance filing in Docket No. RP98-91, *et al.* CNG proposes no substantive revision to the content of these tariff sheets, other than that which was reflected in CNG's May 29 compliance filing.

CNG respectfully requests a waiver of Section 154.207 of the Commission's Regulations, so that its proposed repagination tariff sheet may become effective June 15, 1998, CNG submits that good cause exists to permit this limited waiver, because CNG is merely complying with the Commission's January 14, 1998 Order in this docket.

CNG states that copies of its filing has been mailed to CNG's customers and interested state commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
