Proposed Project

1. Statement in Support of Application for Waiver of Inadmissibility—(0920-0006)—Extension—National Center for Infectious Disease Control and Prevention (NCID)—Section 212(a)(1) of the Immigration and Nationality Act states that aliens with specific health-related conditions are ineligible to receive visas and ineligible for admission into the United States. The Attorney General may waive application of this inadmissibility on health-related grounds if an application for waiver is filed and approved by the consular office considering the application for a visa. The Division of Quarantine, NCID uses this application primarily to collect information to establish and maintain records of waiver applicants in order to notify the Immigration and Naturalization Service (INS) when terms, conditions, and controls imposed by waiver are not met. We are requesting the extension of this data collection for three years. There is no cost to the respondents.
